

CAREER NEWS

Term 1, Week 7 2025

SYDNEY DESIGN SCHOOL – OPEN DAY

Open Day

Saturday 5 April, 10am - 12pm

Presentation by our Director Amanda Grace will start at 10.45am
Ground Floor, 65 Berry Street North Sydney

Getting to our campus

We're right next to the Victoria Cross Metro station and a short walk from North Sydney train station. Ward Street council car park (\$13 for the day) is across the road and there are numerous Wilson Parking locations very close by (\$7 for online bookings, \$10 drive up).

Click the button below and register to discover the unique Sydney Design School experience.

REGISTER HERE

Registrations to sit UCAT 2025 are now open!

Book your UCAT testing date soon to avoid disappointment! Popular dates, times and locations can book out early.

Bookings to sit UCAT 2025 close on 16 May 2025.

Confused about the registration process?

Don't worry. We've got you covered.

You can find out more about the registration and booking process on the [UCAT ANZ website](#).

Read our [3 tips for securing your ideal UCAT testing session](#).

Now is the perfect time to kickstart your preparation

With the school year underway, it's the ideal opportunity to begin preparation and master the UCAT!

PAST HSC EXAM PAPERS

These resources can be a valuable study strategy students can employ to familiarise themselves with questions for their HSC courses.

By using the link below, students can access past HSC exam material. The marking guidelines can also be useful as they supply some sample answers for various questions.

<http://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/Understanding-the-curriculum/resources/hsc-exam-papers>

HSC exam papers

Higher School Certificate exam papers, with marking guidelines and HSC marking feedback , are available for each course.

Select a learning area below to see exam paper packs by course for each HSC year.

View [archived HSC exam papers](#). Don't use these materials for current syllabus assessment because they support syllabuses that no longer exist.

View the [2023 HSC Study Guide](#), which contains practical information, tips and advice for HSC students from our curriculum inspectors, experienced teachers and high achieving students.

INTERESTED IN ACCOUNTING...?

UTS: BUSINESS: BACHELOR OF ACCOUNTING CO-OP SCHOLARSHIP (BAcc)

The University of Technology Sydney runs Australia's most successful co-op course – the Bachelor of Accounting. Just look at the list of employers who are actively involved with this program:

Allianz Australia	GrainCorp	NSW Health
ASX	Ingham's	Perpetual
BDO	KordaMentha	Pitcher Partners
Challenger	KPMG	PwC
Coca Cola Europacific Partners	Lendlease	QBE Insurance
Commonwealth Bank	Macquarie Group	Stockland
Cuscal	MA Financial	THE ICONIC
Dexus Property Group	Merivale	Thinkmill
Ernst & Young	Mirvac	Westpac Group
GPT Group	News Corp	

These employers together contribute almost \$3 million annually to this one course alone. The reason? Demand for graduates of the course, who are seen as something special, is very high and will continue to be so for many years due to critical skills shortages in business. This is despite tough economic conditions.

The UTS Bachelor of Accounting has the aim of producing potential business leaders of the future via an accounting career.

The main benefits to students who are selected into the Bachelor of Accounting are a tax-free scholarship valued up to \$56,000 a year of full-time work training, and great career prospects with the major employers who support the course. No BAcc graduate has ever missed out on a job, and these job offers are generally made by March of the students' third and final year of study. That might be only 3 years away from where you are now.

Other key benefits of this program, that set it apart from cadetships or other co-op courses, are that it takes only 3 years to complete and that students in the course study, work and play together as a close group of friends throughout that time.

What sort of students are we looking for? All-rounders, achievers and leaders in various activities. Plus you'd need to be interested in a career in business. A high ATAR is not essential, but it will help. Each year we take in students with ATARs in the range 85-100, who have the other skills and experiences to make them ideal business graduates.

And why choose to study accounting? Well, consider that accounting is recognised by big business employers as a highly desirable qualification for graduates to hold, and business leaders today increasingly have this sort of background. This is because the role of accountants has changed radically over the last 10 years; they are now the people called on to analyse the factors behind business success and failure, and who can provide the information needed for critical decision-making.

As a Bachelor of Accounting graduate you will have more potential than virtually any other professional - in terms of long-term employment and salary prospects, rewards and job security, opportunities for travel and working overseas, challenges and job satisfaction.

For further details on the Bachelor of Accounting program, please visit [UTS Bachelor of Accounting](#)

Email enquiries: carin.alberts@uts.edu.au

BAcc online applications for Rd 1 close on Friday 16 May 2025

TAFE – YOUTH ENGAGEMENT STRATEGY (YES) PROGRAM

YES – YOUTH ENGAGEMENT STRATEGY

CONNECTING YOUNG PEOPLE WITH VOCATIONAL TRAINING

TAFE NSW invites you to come and be part of our YES program.

- Try new skills
- Discover career opportunities
- Navigate a new environment
- Explore your potential
- Discover what you want to do after school
- Be on your way to becoming Job Ready!

REQUIREMENTS:

- Students must be **registered with a school or equivalent** and
- At least **15** years of age (Year 10 or above) and
- An Australian Citizen, Australian Permanent Resident or New Zealand Citizen.
- Participants are government funded to participate in YES programs only once
- History of violence, school support, health and wellbeing plan, student management plan:
- To ensure student suitability for the YES program, all relevant documentation **must be provided to TAFE (at the time of registration of interest – via email)**
- Students who have support staff allocated to them during school hours must have that same support provided, by the school, whilst on a TAFE campus. Schools must advise at time of registration of any support staff allocations as TAFE is unable to provide support staff.

PLEASE NOTE:

The list of programs is tentative/proposed at this stage. The dates and sessions are subject to confirmation of delivery numbers and may be subject to change. Programs normally run from 9 am to 3 pm.

COST: Fully subsidised by the Government (One program per student)

Registrations will open: Monday 10 March 2025 at 9:00 am

Registrations will close: Friday 21 March 2025 1:00 pm (or when a program is at capacity)

Central Coast proposed courses are shown below....

Please see Mr Russell if you are interested to apply for a course... you will need a Unique Student Identifier (USI) ([Home page | Unique Student Identifier](#)) in order for you to be registered. You will also need to make a commitment to catch up on missed school work as a result of attending the course. You will also need your own transport to and from TAFE to attend the TAFE classes.

University - Institutes

University of Wollongong - EmpowerHER STEM Summit

Applications Open Now for 22 and 23 April

The University of Wollongong is thrilled to announce the return of the EmpowerHER STEM Summit in 2025. This hands-on, two-day event, taking place during the Autumn school holidays, is exclusively designed for fierce female students in Years 10, 11 & 12.

Brace yourself for an exciting experience as we raise the STEM-bar for girls and ignite their passion for Science, Technology, Engineering, and Maths (STEM)!

Students will journey through UOW's vibrant Wollongong Campus and mind blowing Bluescope site to witness STEM in action. Accompanied by faculty, current students, and industry professionals, this event promises an enriching, yet collaborative experience.

<https://future-students-events.uow.edu.au/EmpowerHERSTEMSummitSenior2025>

University of Wollongong - Shakespeare in Focus

28 May

Year 12 English students are invited to the University of Wollongong on Wednesday 28 May 2025 for an immersive lecture considering the world of Shakespeare. This free event is aimed at students who have read the plays in their entirety and wish to consolidate their knowledge for the HSC. Dr Julian Lamb Ph.D. Doctor of Philosophy, English Renaissance Literature and Linguistics (University of Cambridge) will offer close readings and discussions of either Richard III or The Tempest to help students build transferable techniques of critical analysis.

Timeline for Medical Entry 2025/26

Getting into medicine is a complex process. It's not just about your academic performance, you also need to succeed in UCAT and interviews. There are many important deadlines that you must not miss if you are to enter your dream course. This blog outlines the key dates and tasks so you can ensure you keep on track!

<https://www.medentry.edu.au/blog/timeline-for-medical-entry>

UCAT Bookings for 2025 Now Open

Bookings Close 16 May

Registrations to sit UCAT 2025 are now open! The 2025 UCAT ANZ must be sat between 1 July and 5 August 2025.

<https://www.ucat.edu.au/register/booking-your-test/>

MedEntry - Australia's Premier UCAT Preparation Program

After 12 years of school, the main obstacle between you and a successful career in medicine is the UCAT; an exam unlike anything you've ever faced. But don't worry, MedEntry's personalised preparation tools and expert guidance will help you ace the UCAT.

<https://www.medentry.edu.au/ucat>

Changes to UCAT for 2025

The UCAT ANZ test is changing in 2025. The Abstract Reasoning subtest will be withdrawn from the test. The new test format will comprise 3 cognitive subtests (Verbal Reasoning, Decision Making and Quantitative Reasoning), and the Situational Judgement Test.

Check out the link for more details... <https://www.ucat.edu.au/about-ucat-anz/ucat-anz-2025/>

UCAT 2025 Key Dates

Candidates taking the UCAT ANZ in 2025 for entry to universities in Australia and New Zealand in 2026 should note these key dates. We do not make exceptions to these deadlines.

- 4 March - Bookings open
- 9 May - Concession application deadline
- 16 May - Booking deadline and Access arrangement deadline
- 30 May - Late booking deadline and late Access arrangement deadline
- 6 June - Final late booking deadline
- 11 June - Cancellation deadline
- 1 July - Testing begins
- 5 August - Last testing date
- Early September - results delivered to universities

<https://www.ucat.edu.au/about-ucat-anz/ucat-anz-test-cycle/>

University of Melbourne sheCommerce Program

Applications Close 23 March

sheCommerce is an immersive and academic enrichment program delivered by the University of Melbourne's Faculty of Business and Economics. sheCommerce is for Year 9-12 high school students who identify as women or non-binary and are passionate about leadership and pursuing a career where they can impact change. The program allows students to meet like-minded peers, current Bachelor of Commerce students, alumni and inspiring academics who are making a difference in industry and through their research. <https://fbe.unimelb.edu.au/shecommerce>

Returning on Friday, May 9, this immersive event gives you the opportunity to explore the field of criminology and criminal justice, uncovering how society responds to crime and the complexities of criminal behaviour.

Meet leading criminology academics, engage in interactive sessions, and discover how a criminology degree can lead to careers in criminal profiling, law enforcement, social work, policy reform, and more. Gain valuable insights into the real-world applications of criminology and how it shapes our justice system.

<https://bond.edu.au/event/9216/criminology-experience-day-2025>

Pathways into Medicine and Dentistry Live Webinar

6 May

Students, Parents, and Teachers are welcome!

Are you currently studying in years 9, 10, 11 or 12?

Are you considering a career in medicine or dentistry?

If you have answered yes, then you may need to sit a compulsory entry exam known as UCAT (Undergraduate Medicine and Health Sciences Admission Test) before you can apply to certain universities!

The National Institute of Education (NIE) is proud to present the free information seminar all about UCAT and the undergraduate pathways into medicine, dentistry, and some other health science programs. The session is PACKED with loads of valuable information during which we will be covering the following topics and more.

<https://www.nie.edu.au/ucat-free/free-ucat-information-sessions>

Simulated UCAT Day Workshop: 2-part program

5 April

The Simulated UCAT Day (SUD) 2-Part workshop conducted over a full day and a follow-up session. If you are in Yrs. 10, 11, 12, or you may be older and considering sitting the UCAT in the future, then this program is for you. The Simulated UCAT Workshop program is ideal and often a necessary step towards effective and efficient preparation for the UCAT.

The workshop is primarily designed to cover fundamental techniques in navigating all five sections of the UCAT test and also for participants to gain a better understanding of their own level of preparedness for the test. Over the course of the years, the program has evolved into a more comprehensive and holistic exercise, which not only achieves its primary goal, but it is also exposing students to a wealth of knowledge about all other aspects of the journey into a medical degree. The latest update has seen the program grow into a 2-Day event as the sheer amount of content covered was too great to fit into a 1-day program.

<https://www.nie.edu.au/ucat-courses/simulated-ucat-day-workshop>

National Institute of Education - Medical Interview Preparation Workshops

12 - 13 April

The unique NIE workshop program aims for students to gain an in-depth understanding and required knowledge of the medical interview processes for specific universities, including Multi-station Mini Interview (MMI), Structured, and Semi-structured panel interviews. The workshop is structured and based on the models that are taught during our proven one-on-one personalised medical interview sessions. The workshop will allow each and every attendee to learn the required skills and practical understanding for the university from which they received an interview offer from.

<https://www.nie.edu.au/medical/umat-interviews/medical-interviews-workshop>

TAFE

How To Get The Most Out Of Your Electrical Apprenticeship

For many people, an electrician apprenticeship is something they start right after they finish high school. An apprenticeship is something they know nothing about for most young people, so you'll need to keep a few things in mind as you get started. Here are some tips and pointers for getting all you can from your electrician apprenticeship.

<https://www.necatrainng.com.au/how-to-get-the-most-out-of-your-electrical-apprenticeship/>

NECA Electrical Apprenticeships Career Pathways

If you're thinking about a career in the electrical trade, choosing an apprenticeship over going to university can fast-track your success with less debt and more hands-on experience. Here's why an apprenticeship could be the better option for you:

<https://www.necatrainng.com.au/electrical-apprentices/career-paths/>

Productivity Bootcamp In Construction Free 8 Week Training Program

Productivity Bootcamp is a comprehensive, 8-week program designed to develop a range of practical skills to get young people job-ready. We use purpose-built training sites that provide 100% practical learning in a controlled environment. These sites are supervised by experienced trade professionals with a desire to teach and develop young people. Our approach is, roll down your sleeves, and, learn what is needed to walk on to a job site, armed with the basic knowledge and understanding of what is required to get the job done correctly and safely.

<https://productivitybootcamp.com.au/about-the-program/>

ARC Group Training - Business Traineeships

As a registered Group Training Organisation (GTO), ARC Group Training specialise in helping school leavers start their business careers. We connect school leavers with companies of all shapes and sizes, placing them in full time roles for 12 months while they complete a nationally recognised qualification.

<https://arcwaycareers.com.au>

CIT 2025 Course Guide

As the region's premier vocational education and training provider, Canberra Institute of Technology provides progressive and accessible education solutions using the latest technology and most up-to-date in learning capabilities, with options for flexible and online learning. We also customised training programs to suit your organisation's needs.

<https://advanceohs.com.au>

Master Builders Association White Card Upcoming Dates

31 March and 28 April

The General Construction Induction (White Card) course is a mandatory entry level program for the building and construction industry. The course focuses on how to work safely and effectively on a job site or construction environment.

<https://www.mbansw.edu.au/mba-course/work-health-safety/general-construction-induction-white-card/>

Private Colleges

Qantas Group Pilot Academy

Applications close 16 March

Estimates suggest that 790,000 more pilots will be required globally over the next 20 years with around one third of them in the Asia Pacific region. To help meet the increasing need for skilled aviators in one of the fastest growing global industries we've launched the Qantas Group Pilot Academy. The Academy is part of our plans to build a long-term talent pipeline not just for Qantas, QantasLink and Jetstar, but for the industry more broadly. As the national carrier, we have a history of attracting the best and brightest to fly for us, so we're hoping to see passionate men and women training with us at our new Academy.

<https://www.qantas.com/au/en/about-us/our-company/pilot-academy.html#course-information>

Qantas Group Pilot Academy Scholarships

The Qantas Group Pilot Academy Scholarship Program aims to provide equity-based grants to support diversity. Over the coming five years, 100 scholarships are on offer.

Applications are open and being accepted for Academy courses from now until 2028 from females or First Nations People. If successful, the scholarship is designed to support a student with onsite accommodation costs.

Work Experience at the Australian Museum

Applications Now Open for 2025 Work Experience Program

Every day at the Australian Museum is different. Our high school work experience program offers students the chance to explore a variety of careers including science and cultural research, education, public programming, curatorial and exhibition design, marketing, communications and corporate services.

All work experience opportunities provide practical learning to consolidate classroom teaching. This will support students' personal development and professional skills as they prepare to enter the workforce and make choices about their careers.

The program is available for students in Years 10–12 and will be offered during Terms 3 and 4, over four possible weeks:

- July 28–August 1
- September 8–12
- October 20–24
- November 10–14

Maths Careers in Science and the Environment – Hear Amazing People's Career Stories

From Astrophysics and Chemistry to Biology and Zoology, Mathematics is a fundamental tool used in science to understand how and why the world works.

Data analysis, mathematical modelling and evidence-based decision making play an important role in research. Scratch beneath the surface and you'll find science and maths working together to help understand our planet, oceans and wildlife, discover new galaxies and advance new technologies. With rising global temperatures, food security concerns and changing global ecosystem dynamics, climate change is a real and urgent priority! The green economy is worth \$6 trillion worldwide and is the fastest growing market globally, with 850,000 more people needed in the sector by 2030.

What Matters? Writing Competition

Closes 16 May

Inspired by Gough Whitlam's commitment to involving young people in shaping Australia's future, the What Matters? writing competition is currently open to school students in years 5 to 12 from Australia. Responding to the simple question 'what matters?', entrants are free to express their views on any matter they care about.

Part writing exercise, part civics and citizenship activity, What Matters? is the perfect opportunity to empower students to raise their voices on issues that are important to them and know that their perspectives are valuable, no matter their age, background or viewpoint. Entries can be fiction, non-fiction, poetry or prose of up to 600 words, and submitted online.

<https://www.whitlam.org/what-matters>

STEM Careers - subject selection for Year 11 and 12

Choosing Year 11 and 12 subjects usually happens in Year 9 or 10, but it's never too early to have a chat with your child about what they might want to study in their final years of high school.

High school subject selection can have a big impact on your child's career prospects, and ultimately their happiness. And with so many electives on offer, a thoughtful approach is required!

2025 Real Futures Grant Now Open

(Year 12 students may be interested in this if a similar opportunity arises in 2026)

Closes 31 October

Since Real Insurance was launched in Australia in 2005, our goal has been to protect the quality of people's lives. We do this by providing insurance products for Life, Funeral, Pet, Income Protection, Health, Travel, Car, Home and Landlords that meet the needs of everyday Australians and offer peace of mind at an affordable price.

We know that real health for you and your family is only ever as good as the people who are providing it. And we know that finances are a key factor for families as well as insurance products and services. So with that in mind, we are helping to encourage the best people into the healthcare, business and finance industries by providing the Real Futures Grant.

The value of this Grant is AUD \$5,000 (total amount). This amount is paid as a one-off payment to the Winner.

To be eligible you must be enrolled full-time in an accredited Australian Tertiary Education Institution and be studying for a certificate, diploma, degree or traineeship in any of the following areas: Business, Finance, Medicine or Health Care

To apply for the Real Futures Grant, you will need to write an essay (maximum 700 words) on why you want to work in your selected industry and the difference you hope to make in your particular field of study.

<https://www.realinsurance.com.au/grants/real-futures-grant>

Secure your future with the AFP in Sydney
