

CAREER NEWS

Term 3, Week 6 2024

NATIONAL ART SCHOOL OPEN DAY

NATIONAL
ART
SCHOOL

Saturday 7 September, 10am to 4pm

[RSVP for Open Day](#)

We invite you to join us at **Open Day!** It's a busy and active day-long program offering plenty of opportunity to see what life is like for students at NAS.

Experience a range of **hands-on activities** and get a taste of our vibrant artistic community. Explore our student studios, current exhibitions, and facilities with our **guided campus tours**.

Interested in applying for study at NAS? Attend an **info session** to find out about undergraduate and postgraduate pathways. Meet with a member of our faculty and learn about the admissions process including **advice on preparing your portfolio**.

ABORIGINAL SCHOOL-BASED APPRENTICESHIP OPPORTUNITY

The DCJ Aboriginal Employment Strategy team are currently seeking EOI's to fill roles available across NSW for **Aboriginal School Based (current Year 10 school student going into year 11 in 2025) and Full-Time traineeships.**

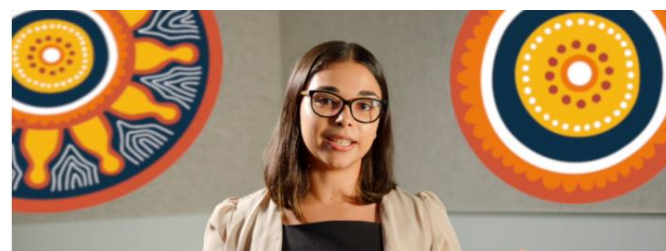

[Aboriginal School Based traineeship](#)

Are you interested in a school based traineeship?

DCJ offers school based traineeships for Aboriginal students where the student learns about the industry and job while getting hands-on experience.

[Aboriginal Full Time Traineeship](#)

What is a full time traineeship with DCJ?

DCJ offer full time traineeships for Aboriginal people, providing job opportunities for young people and/or mature aged jobseekers.

INTERESTED IN MEDICINE...?

Amidst all the social obligations, co-curriculars, and mounting academic pressure, it's never been harder to keep your career ambitions afloat.

Unfortunately, the highly-competitive medical entry process is no exception.

It's never been more difficult to build a compelling medical school application.

With each passing year, the process only gets more competitive. And as the number of applicants soars, students often worry that all their effort and sacrifice will go to waste.

MedEntry has created a 45 minute "Supercharge Your Application" Virtual Conference that'll teach everything you need to know to:

- **Learn what it's like to work as a doctor:** hear stories from real-world doctors about their experiences in the medical field.
- **Map out your career:** learn all the details you'll need to plan your journey from high school student to high-ranking doctor.
- **Understand the application process:** avoid countless headaches by building a sound understanding of medical entry pathways.

The conference is virtual and free.

The Conference begins at 7:30pm on Wednesday the 4th of September 2024

INTERESTED IN BEING A PRIMARY OR SECONDARY TEACHER...?

For more information visit [Introduction to Academic Writing and Professional Communication](#)

Year 11 Head Start

Alphacrucis University College Bachelor of Education (Primary and Secondary)

SUMMARY OF FACTS

WHAT: Opportunity for current Year 10 students (Year 11 2025) to complete 1 University subject at **over 65% tuition discount**, with guaranteed entry into one of AC's Bachelor of Education courses for those who complete the subject at Credit or above. Fee = \$800.

WHY: Get a head start to university studies before you finish high school!

WHEN: Commencing in Semester 1 2025

HOW: Complete the expression of interest below.

DETAILS

Alphacrucis University College (AC) is now accepting expressions of interest for enrolling in AC's **2025 Year 11 Head Start** initiative, open exclusively to Year 11 students attending an Australian registered high school, and interested in pursuing university studies to become teachers.

Eligible students will be able to enrol in [EDU108 – Introduction to Academic and Professional Communication](#), which is a required subject in all of AC's Bachelor of Education awards, for a significantly discounted fee of \$800.

Students who complete this unit with a Credit or above grade will have guaranteed entry into one of AC's Bachelor of Education awards, with full credit for the completed subject.

The subject will be delivered outside of normal school hours by one of AC's faculty members, with online content support on AC's learning platform.

EXPRESSION OF INTEREST

Expressions of interest from current Year 10 students can only be emailed by a School Teacher (supervisor) willing to support a formal application and include the following:

- Student Full Name & Email.
- Current School, Address, Phone.
- Supervisor & Supervisor Email (ie. person at the school who can be contacted for any issues, assessments, etc. concerning the student).
- Level Interested: Early Childhood OR Primary OR Secondary.

Expressions of Interest should be emailed to Dr Garrick Everett: garrick.everett@ac.edu.au on or before **September 30 2024**.

WE ARE LOOKING FOR AN EARLY CHILDHOOD TRAINEE!

As an Early Childhood Trainee, you'll have the exciting opportunity to work alongside experienced educators, gaining valuable skills to support the development and growth of young children in a nurturing and dynamic environment.

ABOUT CCGT:

We're the Coast's leading employer for Apprentices and Trainees, with over 40 years of experience. During your apprenticeship, you'll be employed by CCGT and will work with our host employer every day to get hands-on training in the industry.

We're here to support you all the way, helping you reach your career goals and unleash your true potential.

ABOUT THE HOST EMPLOYER:

Established in 2023, our Host Employer have a team of exceptionally skilled early childhood educators, committed to the highest standards of excellence and meticulous care. With a steadfast dedication to meeting the varied needs of children and their families, they endeavor to deliver consultation and to work collaboratively with all people involved in caring for children: parents, carers, teachers, and other professionals.

DESIRED QUALITIES:

- Working With Children Check (WWCC)
- First Aid Certificate
- Ability to work well in a team environment
- Ability to be flexible working rotating roster
- A genuine desire to enter the Early Childhood Industry and a commitment to complete the training.

- Ability to build warm, respectful and trusting relationships with children and families

KEY ROLES AND RESPONSIBILITIES:

- Build good relationships with everyone involved to support families and children.
- Help create and run educational activities as directed by the Lead Educator.
- Assist in keeping the room running smoothly according to rules and guidelines.
- Always keep the right number of educators for the number of children.
- Maintain health and safety, especially in handling food.
- Encourage teamwork and open communication.

As part of this apprenticeship, you'll be PAID to study for a Certificate III in Early Childhood Education and Care through ON the Job Training at ECTARC over a period of 18 months.

For more information about this position, please contact Central Coast Group Training.

Year 12 Video Advice from UAC – How to Apply

Step-by-step instructions for starting your application as a Year 12 student, including entering your Year 12 student number and UAC PIN.

<https://www.youtube.com/watch?v=EqZ19o3gMF4>

Steps to Apply to Uni – UAC

If you're unsure about what you'd like to do when you finish school, and are wondering if university is for you, you're not alone. Just remember that uni isn't only for the brightest students or for those with a specific career path in mind. Uni is for anyone who's committed to reaching their full potential and wants to acquire the skills and experience to achieve their goals.

Keep your options open by taking the time to understand how the university application process works, how institutions use the ATAR to select students, non-ATAR pathways to tertiary study, and the many levels of financial support available to you.

University of Sydney 2024 School of Project Management Spring Camp Expression of Interest

4 October

Expression of Interest Now Open

The School of Project Management will be running their in-person Spring Camp on Friday, 4 October for students in Years 10-12.

This program offers an interactive opportunity for students to develop awareness of project management as a discipline, career pathways, the Bachelor of Project Management, and hear from industry professionals, academics, current students and alumni.

Past programs have included site tours to Google, Atlassian and Western Sydney Airport. Expressions of interest for the University of Sydney Project Management Spring Camp are now open.

<https://forms.office.com/Pages/ResponsePage.aspx?id=fuOzgnGBXUixCzja5-0UqBC10XWf1ctKlgcRpcKmlnNUMldHRzNXUzhVSjZRQxWkFJNEg2VEI5Uy4u>

The Women's College within The University of Sydney - Applications and Scholarships

Scholarships for the 2024 academic year are now open. Applications close on 1 October 2024.

The Women's College offers a number of scholarships for resident students. These are awarded on the basis of a combination of academic potential and financial need. Scholarships are available, for example, to students from:

- Government schools
- Rural areas
- Indigenous and Torres Strait Islander backgrounds
- Postgraduate students undertaking medicine or scientific research
- Students studying performance at the Conservatorium of Music.

Music scholarship auditions will take place in early December and applicants will be advised of the audition date closer to the time.

Students seeking consideration for a residential scholarship must first complete the residency application.

https://uni-sydney.zoom.us/webinar/register/WN_K8e2PycTR2uT6XBsi0Yc5A

UTS Jumbunna Entry Program and Applications Now Open

Applications Close 10 January

At Jumbunna, the ATAR is not the primary measure of success. Our Jumbunna Pathways Program into University is open to recent-school leavers (with or without an ATAR). The Jumbunna Pathways Program offers Aboriginal and/or Torres Strait Islander students an opportunity to enter higher education based on education, previous life and work experience.

<https://www.uts.edu.au/study/indigenous-australians/getting-uts/jumbunna-pathways-program>

UTS Women in Engineering, IT and Construction

If you're female and have applied for selected engineering, information technology or construction project management courses, you're eligible to receive 10 adjustment points through both UAC and the Early Entry Program. These adjustment points are automatically applied (no additional application required) and contribute to your selection rank. Degrees range from Computing degrees, Games Development, IT, Engineering and Construction

<https://www.uts.edu.au/study/undergraduate/admission-requirements/admissions-schemes/specific-study-area-schemes/women-engineering-it-and-construction>

UTS - Support your UAC application with the Engineering and IT Questionnaire

If you fall short of the selection rank requirement by one to three points, we'll still consider your application if you submit the Engineering and IT Questionnaire and demonstrate a strong motivation to study engineering or IT.

You achieved a minimum selection rank of 75. This selection rank cut-off includes your raw ATAR and adjustment factors.

You've listed UTS Engineering or IT as your first preference in UAC.

Download this template and input your responses to these three questions where asked:

Why are you interested in studying at UTS and what do you expect to gain from your experience in the Faculty of Engineering and IT?

Which of your personal attributes and skills will assist you most in your future career?

Describe something you have created or designed and how it is related to your preferred course.

OR

Share your favourite example of engineering or technology and why you think it is amazing.

<https://www.uts.edu.au/study/information-technology/essential-information/it-questionnaire-year-12>

UTS - Bachelor of Information Technology (BIT) Co-operative Scholarship - Closing Soon

Closes 8 September

The BIT is a highly competitive course – it's been designed with future leaders in mind. To get in, you'll need to demonstrate how you stand out from the crowd.

Successful students generally achieve a Selection Rank of 88–99.95; however, your ATAR is just one component of your application.

The interview is your chance to show us your passion for technology. We also want to see your communication and interpersonal skills and your desire to be a leader in your field. We balance our selection criteria against one another. So if you've got a lower ATAR (say, 85 or 86), wow us in the interview and you could still be in with a chance.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/bachelor-information-technology-co-operative-scholarship/how-apply/get-ready-apply>

UTS Diploma of Animation Production

Do you have a passion for visual arts, drawing and storytelling? Want to apply your creativity in a growth industry that offers a wide range of dynamic and ambitious employment opportunities? Start your journey to UTS animation production here. Our animation production program is designed to equip you with the skills you'll need for success at university, and in your future career.

<https://utscollege.edu.au/au/programs/animation-production>

UNSW Application Process of 7 Steps for Bachelor of Medical Studies/Doctor of Medicine

To study the Bachelor of Medical Studies/Doctor of Medicine (BMed/MD) at UNSW, you must sit the University Clinical Aptitude Test (UCAT ANZ). You'll also need to apply through UNSW's Medicine Application Portal (MAP) before submitting a UAC application. Additionally, you will need to undertake an interview (if competitive). Offers to study medicine at UNSW are based on your academic performance (ATAR or equivalent), UCAT ANZ result and interview.

Upcoming Dates:

- 30 September - last day to lodge application with UAC
- 30 September - Last day to submit UNSW Medicine application through the Medicine Application Portal
- 1 December - Last day to include UNSW BMed/MD as a UAC preference

<https://www.unsw.edu.au/medicine-health/study-with-us/undergraduate/applying-to-medicine/local-applicants>

Reminder - Work Experience @ UNSW School of Chemical Engineering

Applications Close 30 August

Short-listed high-achieving students, passionate about engineering are invited to spend a week at UNSW School of Chemical Engineering and experience what it is to be a student at UNSW Sydney.

Selected students will visit a number of research groups working on topics ranging from water treatment processes to new nanomaterials used for green

fuels and pharmaceuticals. Students will also work in group on an exciting design challenge.

University - General

College Board SAT Registrations for the 2024-25 (US) Academic Year

At this time, registration is open for all students for the entire 2024–25 testing year.

Test Dates:

- 5 October
- 2 November
- 7 December

<https://satsuite.collegeboard.org/sat/dates-deadlines>

National Institute of Education - Casper Test Preparation

7 September - Final date for 2024

Rebekah Ramsey will be conducting a 4-hour interactive and informative webinar designed to provide students with the guidance and support they need to prepare for the Curtin University Medical Entry Casper Test.

During the workshop, Rebekah will discuss the expectations of the test, and how Curtin might use the results, and unpack the questions and outline possible criteria for assessment. You will also work on

the “on camera” techniques to be able to showcase your true self while answering the questions. Finally, you will look at the timing of the applicant responses and how to get the most out of the time that you must answer each question.

<https://www.nie.edu.au/products-listing/product/2965-casper-test-preparation>

National Institute of Education - Medical Interview Preparation Workshops

21-22 September - Online

Limited spots remain for 14 Sept (In Person)

The unique NIE workshop program aims for students to gain an in-depth understanding and required knowledge of the medical interview processes for specific universities, including Multi-station Mini Interview (MMI), Structured, and Semi-structured panel interviews. The workshop is structured and based on the models that are taught during our proven one-on-one personalised medical interview sessions. The workshop will allow each and every attendee to learn the required skills and practical understanding for the university from which they received an interview offer from.

<https://www.nie.edu.au/medical/umat-interviews/medical-interviews-workshop>

Study Musical Theatre at Sydney Actors School

The Sydney Actors School Musical Theatre Diploma offers a practical and comprehensive approach to developing your singing, dancing, and acting skills and equips you with the real-world skills needed to begin a career in musical theatre.

Led by experienced professionals with extensive backgrounds in the Australian theatre industry, our teaching team is committed to providing face-to-face practical training that prepares you for the challenges and opportunities of the industry. From refining your vocal techniques to mastering choreography, our tutors bring their firsthand knowledge to help you succeed every step of the way.

As a student in our program, you'll practise, rehearse, and perform individually, while also developing the collaborative and interpersonal skills essential for the entertainment industry as an ensemble member. The course focuses on: developing singing techniques and applying acting techniques for musical theatre; creating dance pieces; maintaining a high level of physical fitness; navigating feedback; and implementing a robust self-care routine in preparation for performance in a highly competitive industry. Your year of training will culminate in a musical theatre showcase, where you will present solo and ensemble performances for a live audience.

Whether you have existing musical theatre training or are a talented beginner new to the stage, the SAS Musical Theatre Diploma will give you the skills and confidence to begin your musical theatre career.

Projects Abroad Conservation & Environment Project

Once you've done international conservation volunteer work with us, you'll never quite see the world in the same way again. You'll experience the beauty and vulnerability of nature, and work with an international team to help protect endangered wildlife. We share the same goal: to protect our planet for years to come. So get your backpack because you're going on an environmental travel adventure! Our environmental and wildlife conservation projects cover an incredible range of species and environments, from mountains at the top of the world, to the islands that inspired Darwin to ponder the origin of life. If you love working on projects to help the environment and animals, you can unleash your passion in different ways

Insight Creative Writing Competition

Entries close 1 September

This competition is open to high school students around Australia as we aim to ignite a passion for creative writing and inspire the voices of the future. Entering the competition is free and all entrants will have the chance to share in over \$3000 worth of cash prizes!

All shortlisted entries will also be judged by acclaimed Australian authors. Past judges have included Alice Pung, Arnold Zable, Cath Moore, Michael Pryor, Will Kostakis and Jack Henseleit. This year's shortlist judges will be announced in the coming months, so make sure you follow us on Facebook and Instagram to see the official announcement!

Over the past seven years, we have had the pleasure of reading more than 1500 creative pieces from

high school students around the country. If you're a budding writer in high school, we'd love to see your work.

Country Education Scholarships – Plenty to Choose

A scholarship can help you get on your way to achieving your further study dreams by covering the costs of textbooks, course fees, equipment, accommodation and living costs. Scholarships are not just about money either – the application process will give you vital skills that will transfer when it comes to applying for jobs and will make you a great candidate. Another thing you will gain from a successful scholarship application is confidence. The knowledge that a panel of people believe in your skills and ability will drive you for years. Search and apply for scholarships right here with CEF's Scholarships Guide. And remember, you'll never know if you don't give it a go!

Sydney Craft Week

11-20 October

Sydney Craft Week is about celebrating creativity and the handmade in all its forms. This festival creates the opportunity for the whole community to engage with craft, experience the benefits of making, and purchase local handmade work.

<https://sydneycraftweek.com>

Code.org

The most fun way to start learning code to Year 12. In addition to learning on your own, we have courses designed to be taught by teachers in classrooms for all grade levels. Professional Learning options are available - no experience teaching computer science needed! A great option for students getting started on their own. You'll learn the fundamentals of computer science with drag & drop blocks. Create your own drawings and games.

Medical Internships Abroad Programs for Years 10 and Up

Get medical experience abroad that will give you a competitive edge in your medical career

A medical internship program with Projects Abroad will help you get the real-world work experience you need to excel in a medical career. Work in professional clinical environments like hospitals and clinics.

You can choose from a range of fields related to Medicine & Healthcare:

- General Medicine
- Nursing
- Midwifery
- Physiotherapy
- Public Health
- Nutrition
- Occupational Therapy
- Speech Therapy
- Dentistry

- Pharmacy

Our international medical trips are flexible and safe. Projects can be adjusted to your level of experience, making them ideal for pre-meds, or students aiming to do a medical elective abroad. We also have projects for teenagers in Year 10 and 11 interested in medical work experience.

ABC Heywire Competition - Closes Soon!

Entries Close 1 September

Heywire is an exciting competition from the ABC, calling for stories from high school aged students in regional, rural and remote Australia. And we want to hear from you! Entries must be a true story about an aspect of your life. Stories can be in any format: text, video or audio — whatever form suits you best! Most of our entries are text but feel free to be creative. The recommended length is 400 words.
<https://www.abc.net.au/heywire/competition>

Engineering the Future Podcast

The Engineering the Future series is a space for thought-provoking conversations about the bold ideas that will impact society over the next two decades. From exciting developments in nuclear technology and major transformations in the mining industry, through to the universal impact of artificial intelligence, we speak with leading academics and industry leaders about the technological marvels that will define us as we work towards a more sustainable future for all. Together, we'll discover how innovative engineering starts with imagination in action.

Architect's Tour of Powerhouse Museum's New Castle Hill Building

14 September

Join us on a tour of Powerhouse Castle Hill's newest architectural accomplishment, Building J. Building J is a 9,000-square-metre storehouse for the Powerhouse museum collection. Designed by Lahznimmo Architects, this new building includes flexible spaces for education, public programs, workshops, talks, exhibitions and events. It also houses conservation laboratories, collection workspaces, photography and digitisation facilities, and collection documentation areas. Led by Lahznimmo Architects, this behind-the-scenes tour will take you through the exhibition spaces, archives and conservation laboratories of Building J while discussing the architectural design and hurdles of this multifaceted project.
