NIE INFORMATION ABOUT MEDICINE AND DENTISTRY AT JAMES COOK UNIVERSITY (QLD)

Did you know that James Cook University does not require UCAT score as part of the application process for undergraduate medicine or dentistry? However, a written application and letters of support are part of the competitive selection process for dentistry. Also, while JCU medicine no longer has a written application and letters of support component, it is vital to be well prepared for your medical interview across all of the assessed areas, including understanding and knowledge of Indigenous, rural, and tropical health issues in medicine.

We (NIE) understand that the application and preparation process can be overwhelming...

JCU Dentistry Application Advice

Indigenous, Rural & Tropical Health Issues in Medicine

Final webinar date: 20 September 2024

Upcoming undergraduate deadlines

Schools Recommendation Scheme applications closing – 16 September

Year 12 students who would like to be considered for an early offer through UAC's Schools Recommendation Scheme (SRS) need to submit their UAC application for admission plus their additional SRS application by **Monday 16 September**. There is no fee for the SRS application.

The first offers to courses covered by SRS will be made on 8 November.

Early bird processing charge deadline – 30 September

For anyone wanting to apply for undergraduate study in 2025, we encourage you to complete and pay for your application before 11.59pm on **Monday 30 September** when the processing charge increases. Once you've applied, you can change your preferences as many times as you like, no charge!

INDIGENOUS BUSINESS SUMMER SCHOOL OPPORTUNITY

National Indigenous Business Summer School (NIBSS) 2025

We are happy to announce that applications are now open for the upcoming National Indigenous Business Summer School (NIBSS) Program, taking place from **January 12 - 17 2025**.

NIBSS is an exciting week-long program developed for Indigenous high school students entering Years 11 and 12 who are thinking about studying business, starting their own business, becoming an entrepreneur or are simply curious about university study. A full program of activities are organised across campuses at The University of Melbourne, Monash University, RMIT University, Swinburne University, Deakin University and La Trobe University.

All expenses of the program are covered (including travel/flights, accommodation, meals, activities, gala dinner, merch), and all students are supported throughout the week by Indigenous Mentors.

Who can apply?

To be eligible for the NIBSS 2025 Program, applicants must:

- Identify as Aboriginal and/or Torres Strait Islander
- Be commencing Year 11 or 12 in 2025
- Be completing a Math subject/s at school
- Display a genuine interest in studying at university

How to apply?

The following forms need to be completed for the applicant to be considered:

- The applicant must complete the Student Application Form
- A School Teacher must complete the Student Recommendation Form
- A Parent/Guardian/Carer must complete the Parental Consent Form

All forms listed above must be completed by the application closing date to be considered for a place in the program.

Applications close midnight Wednesday 30 October 2024.

For more information, visit [Home - National Indigenous Business Summer School \(nibss.com.au\)](https://nibss.com.au)

Scholarships at Sydney
Wednesday 19 September 5 – 6 pm

At the University of Sydney, we offer over \$135 million worth of scholarships and prizes every year. We're dedicated to supporting your students throughout their time at university. To make the process easier and more accessible, we've created a centralised form where students can be considered for a scholarship through one simple application.

Some of our scholarships require no application at all! In this webinar, you will learn about the scholarships we offer, find out about your eligibility, get tips on writing a strong scholarship application and have your questions answered by our team.

Online Open Night: Explore Career Pathways & Network with Experts | Thursday 19 September 5 – 6:30 pm AEST

Domestic students living in regional or interstate areas are invited to our online Open Night. Find out about our Regional and Remote Entry Scheme, our single scholarship application process as well as other University of Sydney highlights.

You'll then have the chance to join dedicated breakout rooms and chat with staff from our faculties, admissions, scholarships, and accommodation, and have all your questions answered about life in Sydney. [Register here.](#)

JOB OPPORTUNITIES

Correction to dates of Internship...

PAID INTERNSHIP – Year 12 Graduate

INTERNSHIP CONSTRUCTION PROJECT MANAGEMENT

North Construction & Building is seeking highly motivated Year 12 school leavers interested in a future career in construction project management & procurement, to undertake two weeks fully paid internship at our Tuggerah Head office from the Monday 5th February – Friday 16th February 2025.

If you are considering a University pathway into Construction Management, Engineering, Building & Design Management, or Certificate IV in Project Management then don't miss this opportunity.

AMAZING EXPERIENCE

Be the first to experience this amazing hands-on exposure to an introduction to project management in the commercial construction industry. Fully supported by a buddy, you would spend time working on live projects and tenders rotating across various departments of preconstruction, estimating, projects, systems and safety whilst being mentored in practical work skills.

You will gain exposure to construction processes and planning methodology, industry trends, contracts administration, professional communication, leadership techniques, problem solving and understanding the importance of quality, and compliance with Work Health & Safety. You would also be working with the latest build technologies and assisting the various teams working across a variety of projects.

About North: We are a highly reputable organisation based at Tuggerah, Newcastle, Dubbo, Orange, Mudgee and Brisbane and have been recognised as the 17th Best Place To Work in Australia 2021.

What We Build: Schools, Commercial, Hospitals, Government, Affordable Housing & More

How Do I Apply?

Send in your Resume and Cover Letter that tells us why you would like to do an internship with North, why you are interested in construction and what you hope to gain from the experience. Email to: careers@north.com.au

Applications Open Friday 27th October & Close at 5pm Monday 11th November 2024

About North

HEAD OFFICE | Mariners Centre of Excellence, Suite 501, 1 Bryant Drive, Tuggerah NSW 2259

CENTRAL COAST | NEWCASTLE | DUBBO | MUDGEES | ORANGE | BRISBANE

Phone 02 4323 2633 | Fax 02 4323 2704 | Email careers@north.com.au | ABN 15 147 507 702 | www.north.com.au

As a 1st Year Apprentice Carpenter, you'll embark on an exciting journey, gain hands-on experience in the construction industry alongside skilled professionals.

ABOUT CCGT:

For over 40 years, CCGT have been the leading employer of Apprentices and Trainees on the Coast.

Throughout your apprenticeship, you will be employed by CCGT and will work day-to-day with our host employer in order to receive your on-the-job training in the industry.

ABOUT THE HOST EMPLOYER:

Our Host Employer has been working in the industry for over a decade. They pride themselves on their eye for detail & high quality work! They mainly work on new home builds in a professional medium-paced environment.

They need a motivated Apprentice with an excellent work ethic who is willing to learn to join their team!

KEY ROLES AND RESPONSIBILITIES:

- General housekeeping & work site cleanliness
- Assisting with Fix outs - architraves, skirting
- Assisting with eves - cutting in eve sheeting & quads
- Assisting with frames - standing & construction of frames
- Accurately measuring & cutting materials

DESIRED QUALITIES:

- A strong desire to learn and thrive in a team environment.
 - Ability to follow instructions
 - Willingness to travel across the Central Coast, Lake Macquarie & Newcastle areas
 - Great attention to detail & pride in your work
 - Excellent work ethic
-

- Hold a current WHS white card.
- Drivers Licence & own vehicle essential

WORK SCHEDULE:

Working hours are Monday to Friday, 7.00am - 3.06pm, with potential for overtime.
As part of the Apprenticeship, you will be PAID to study a Certificate III in Carpentry through OFF-THE-JOB at TAFE NSW - Ourimbah over a period of 48 months.

For more information about this position, please contact Central Coast Group Training.

Certificate IV BUSINESS ADMINISTRATION & ACCOUNTING / BOOKKEEPING TRAINEE

About the role:

Full time / 38 hours per week
Pay rate is \$22.12 / hour

Desired Qualities:

- Basic computer skills with a strong desire to learn and grow in the field of Administration.
- Commitment to completing a 2-year Certificate IV Traineeship (Online Studies).
- Organised, hardworking, reliable and able to follow instructions.
- Demonstrates strong communication skills with the capability to ask questions when needed.
- Has reliable transportation to and from Warners Bay NSW.
- If this sounds like you, APPLY NOW!

Send your resume to mbagp@mabgtp.com.au with 'Business Administration Traineeship' as the subject.

2025 Traineeships with AFL SportsReady

GENERAL NEWS

The following news items are sourced from Job Jump

UAC

Pathways to your dream degree

Applying for uni next year but worried that you won't meet the ATAR requirements for your dream degree? Most institutions offer pathway options for applicants who don't meet the standard entry criteria for their courses. Often, you'll be able to find a different avenue into the course you're aiming for.

If you don't get an offer into your chosen degree because you haven't met the required lowest selection rank, you could start an alternative undergraduate course with a lower entry rank. Once you've successfully completed the first year of that degree, and have results that will improve your selection rank, you can then apply again for the degree you really want. (See how to transfer to a different degree.)

<https://www.uac.edu.au/media-centre/news/pathways-to-your-dream-degree>

5 steps to managing HSC stress

Stress and anxiety are incredibly common for students studying their HSC. While we need a certain level of stress to motivate us and help us achieve our goals, it's important to know how to manage it and seek support when things become overwhelming.

<https://www.uac.edu.au/media-centre/news/5-steps-to-managing-hsc-stress>

University - Institutes

UOW Pre- Medicine Degree

The Bachelor of Pre-Medicine, Science and Health is a three-year undergraduate degree providing a solid foundation towards graduate medicine, dentistry, veterinary studies, optometry, podiatry, physiotherapy or pharmacy. Depending on which major/minor you choose, this course also leads to a wide range of postgraduate study or professional career options in the physical and life sciences, allied health or health informatics. High performing students from a diverse range of backgrounds are strongly encouraged to apply, in particular, Indigenous and rural students.

This degree will explore core content for medical school entry including academic literacy, critical thinking skills and an understanding of what it takes to be a successful health practitioner.

Extracurricular activities will demonstrate your leadership, dedication, and cooperation. From your first year, you will have opportunities to participate in a wide range of volunteer and enrichment activities in the community. These will assist you in developing real-world skills and ready for a career in health

and medicine.

UNSW Indigenous Preparatory Programs (Pre-Programs)

UNSW's Indigenous Pre-Programs offer a holistic pre-entry university experience for Aboriginal and Torres Strait Islander students without the need for an ATAR. Our programs are both an alternative entry pathway to UNSW and a degree-specific preparatory program, meaning you can hit the ground running on day one of your degree.

The Indigenous Pre-Programs is a three-week intensive residential program held at UNSW's Kensington campus in Sydney. The pathway program is delivered by Nura Gili in partnership with UNSW faculties and schools in the areas of Business, Education, Law, Medicine, Social Work, or Science & Engineering.

We run Indigenous Pre-Programs in the areas of Business, Education, Law, Medicine, Social Work, or Science & Engineering.

TAFE

From TAFE to Google

Google software engineer and musician Meredith Lane started her study with a Certificate IV and says there's a tech career path for everyone

<https://careerswithstem.com.au/uni-tafe-or-teach-yourself-the-many-paths-to-a-rewarding-tech-career/>

5 Free TAFE Courses For a Rewarding Career in Science

A TAFE qualification could help you transition from school to uni, or it could get you the entry-level position you need to kickstart your dream career in science.

Science is a diverse area and there are many hands-on vocations that you can work in with just a certificate-level qualification. Or, you could choose vocational education and training (VET) as a stepping stone to a Bachelor of Science.

<https://careerswithstem.com.au/5-free-tafe-courses-to-help-you-decide-if-a-science-career-is-for-you/>

TAFE Careers Guide

Whatever you're interested in, TAFE NSW has a pathway to help you get the job you want.

Get a head start on a career by completing a TAFE NSW vocational education course, either at school or online, or earn while you learn with a school-based apprenticeship or traineeship. You can also do your post-school studies and choose from a diploma, degree or other pathway to university.

This means you'll be taught by expert teachers with strong industry connections, as well as have access to mentorships, internships and work placements in a real world environment, giving you invaluable experience and a great head start on your career.

<https://www.tafensw.edu.au/school-students>

TAFE NSW Degrees

You don't need an ATAR to study a degree with TAFE NSW, but you will graduate with a qualification that will change your future.

Study a Bachelor degree, post graduate or higher education qualification with TAFE NSW, and graduate with strong theoretical knowledge, practical experience and industry connections that will give you a head start on your career.

Plus if you have previously completed a higher education or vocational diploma or certificate qualification, you may be eligible for credit transfer or recognition of prior learning (RPL) towards your degree, which means you could graduate sooner.

<https://www.tafensw.edu.au/degrees>

Reminder - CIT Open Day 2024

13 September

Whether you're finishing school later this year, an aspiring apprentice, or seeking to change or advance your career, come along to CIT Open Day 2024 to explore your interests and discover the course that's right for you.

Open Day is your chance to meet our friendly staff, tour our facilities and experience life as a CIT student.

Open Day activities will be held across all five CIT campuses, providing you the opportunity to explore our teaching and learning facilities and speak directly with CIT teachers and student support staff to learn more about your course options, careers pathways, and how to enrol.

https://cit.edu.au/citevents/cit_open_day_2024

Register Your Interest for Master Builders Association of NSW Pre-Apprenticeships

Register your interest for the course starting 4th November.

Want to be a carpenter? This is your best first step.

Master Builders will help prepare you to become the best 1st-year carpentry apprentice.

This 3-week entry level training program provides an introduction into both the industry and a carpentry trade prior to commencing an apprenticeship.

AFTRS First Nations Scholarships

AFTRS First Nations Scholarships are awarded on the basis of creative excellence or equity.

The scholarships are intended to assist Aboriginal and Torres Strait Islander, with the costs associated with higher education at AFTRS.

The amount of annual support vary, between:

- Up to \$7,500 for the Bachelor of Arts Screen: Production;
- Up to \$12,500, for the Graduate Diploma in Radio & Podcasting (full time);
- Up to \$6,500 for the Graduate Diploma in Radio & Podcasting (part time), per year;
- Up to \$25,000 for Master of Arts Screen; and
- Up to \$12,500 for Master of Arts Screen: Business, depending on a student's individual circumstances.

<https://www.aftrs.edu.au/wp-content/uploads/2024/07/2025-Scholarship-Guidelines-First-Nations.pdf>

New Scholarships Available at AFTRS

The Australian Film Television & Radio School (AFTRS) has announced the establishment of two new scholarships – in partnership with The HOYTS Group and with the Dylan Alcott Foundation (DAF) – to support students from under-represented groups in the Australian film and broadcast sectors to study at the School.

- The HOYTS Group First Nations Scholarship will cover the full tuition fee for the standard three-year Bachelor of Arts Screen: Production course (valued at \$50,544 in 2025) plus a \$2,000 travel bursary for the recipient and their family to cover the cost of travel to Sydney to attend the First Nations Graduation and Graduation.
- The Dylan Alcott Foundation (DAF) Scholarship aims to break down barriers to education and empower aspiring filmmakers with a disability to achieve their creative dreams. Valued at \$50,544 in 2025, this scholarship will remove a significant financial hurdle and allow a talented student to focus on their studies and hone their filmmaking skills.

AIM School Holiday Workshop - Performance

4 October

AIM's new school holiday workshop is designed for high school students interested in Music Performance. Created for students in Years 9-12, the workshops provide incredible opportunities to experience playing and performing music, mentored by AIM's own accomplished musicians and educators.

Learn, practice and perform contemporary and classic pop, rock and soul tunes, under the expertise of some of Australia's leading music mentors, Noa Kidd and Gian Timothy Gho.

AIM School Holiday Workshop - Songwriting

4 October

Created for students in Years 9-12, AIM's new high school music workshops provide incredible opportunities to explore songwriting, mentored by AIM's own accomplished musicians and educators. This songwriting workshop is essential for any high school students curious about writing songs and performing and is a golden opportunity to work with incredibly accomplished songwriters. Join us these school holidays and discover the songwriter and performer you were born to become.

Over the course of the workshop, students will work with professional

Songwriter/Composer/Producers Dominic Cabusi & Bronte Maree O'Neill to expand their songwriting

skills in a collaborative and inspiring environment. They will workshop harmony, melody, style, lyricism, basic arrangement and/or production and artistic performance. Under their guidance, they will use these new devices to write original music in collaboration with other students in the class to present a performance for family and friends.

Types of Nursing – There's a lot more options than you could believe!

There are several different levels of nursing. You could choose to become an Enrolled Nurse (EN), a Registered Nurse (RN), a midwife or even a Medication Endorsed Enrolled Nurse (EEN). As per the Nursing & Midwifery Board of Australia's provisions, Enrolled Nurses usually work under the direction and authority of a Registered Nurse. While a Registered Nurse can undertake additional responsibilities such as administering medication. Both of these are invaluable contributors to the care of patients. On top of this, there are a number of different specialisations in nursing you can train and work towards.

Westpac Young Technologist Scholarship - Now Open!

Applications Close 13 January

The Westpac Young Technologists Scholarship was made for talented and inquisitive high school graduates looking to strengthen their passion and expertise in technology to innovate and create new opportunities and inspire good in the world of STEM.

Our Young Technologists Scholars get up to three years of financial support for their studies, networking opportunities, mentoring programs and paid internships with senior business leaders and industry-based experts as well as the chance to develop critical soft skills through the Disruptive Leaders Program. The program includes five days in Asia as part of an international learning experience to broaden minds and inspire new ways of thinking.

Scholars must be intending to commence a STEM related degree at one of our five partner universities across Australia, though you do not need to have received a formal offer at the time of your application.

2025 Westpac Young Technologists Scholarship Information Session

26 September

Power your passion and take your STEM studies to the next level. The Westpac Young Technologists Scholarship, valued up to \$20,000, is for talented and inquisitive high school graduates looking to

strengthen their passion and expertise in technology, to innovate and create new opportunities and inspire good in the world of STEM.

Approximately 35 scholarships are awarded annually to high school graduates studying an approved STEM-related degree at one of our five partner universities.

Join this information session to learn more about:

- The eligibility criteria
- The funding guidelines
- Key attributes of a Westpac Scholar
- Tips to complete your application.

There will be time for Q&A to answer your questions and you'll also hear from previous recipients of this scholarship and how it has helped them personally and professionally.
