UNIVERSITY OF NEWCASTLE NEWS... HSC SUPPORT EVENT FOR INCOMING YEAR 12 STUDENTS

We know how overwhelming the HSC can be at all stages, which is why we have partnered with InspirationED to present a set of free seminars designed to handle stress and motivate students in the lead up to their HSC studies.

Here's what's on the agenda:

1. Practical tips to handle stress & motivation
2. Tried-and-true strategies to nail your HSC
3. HSC English help on how to achieve your best this year
4. A straightforward guide to understanding the ATAR

For parents, we also have practical tips on how to support your child through the HSC.

Why your students will love these sessions:

1. **Real Insights:** Direct, actionable advice. In these 45-min sessions, we'll share the best study strategies, exam techniques, and ways to stay on track during your HSC year/s.
2. **Wisdom from the Experts:** Our seminars feature expert HSC Markers and qualified counsellors ready to share their tips and years of experience.

EVENT DETAILS

- **Date:** Saturday 16 November
- **Time:** 9:00am- 12:30pm.
- **Location:** Callaghan Campus, CT Building
- **Register now:** <https://events.inspired.edu.au/product-page/uon-kickstart-session-16th-november-9am-12-15pm>

For more information on the role or to apply - head to our website

Warehousing Trainee Needed

Are you ready to start your career in industrial production?

As a Trainee in Warehousing, you will be involved in hands-on activities across various stages of the manufacturing and quality processes. This role offers practical experience where you will assist with receiving, pre-treatment, packing, and dispatching, ensuring quality standards are met and improving your technical skills for future growth in the field.

ABOUT CCGT:

The Coast's leading employer of Apprentices and Trainees for over 40 years. Throughout your traineeship, you will be employed by CCGT and will work day-to-day with our host employer in order to receive your on-the-job training in the industry. We are dedicated to offering continuous mentoring and support to help you achieve your career goals and unleash your true potential.

ABOUT THE HOST EMPLOYER:

Our Host Employer has been in operation for over 25 years providing high-quality powder coating and abrasive blasting services for various industries. Accredited by Dulux and AkzoNobel, they uphold exceptional quality standards through ISO 9001:2015 certification. They are looking for the next hardworking team member to join their production and operations team

KEY ROLES AND RESPONSIBILITIES:

- Receiving and checking incoming customer orders
- Pre-treating items for powder coating via dipping or sandblasting
- Quality checks during production
- Packing and preparing customer items for dispatch
- Accurate documentation of processes and stock management

DESIRED QUALITIES:

- Strong work ethic and attention to detail
- Ability to work both independently and as part of a team

Physical capability to lift heavy items

Reliability

Working Monday to Thursday 6:00am - 2:30pm & Fridays 6:00am - 12:00pm with the potential for overtime.

As part of this Traineeship, you will be PAID to study a Certificate III in Supply Chain Operations-Warehousing through ON THE JOB Training over a period of 24 months.

For more information about this position, please contact Central Coast Group Training.

PAID to study a Certificate III in Early Childhood Education & Care

Full time - 38 hours per week on a rotating roster

Located in Warnervale, Central Coast

Looking to start your career in early childhood education?

As an Early Childhood Trainee, you'll have the exciting opportunity to work alongside experienced educators, gaining valuable skills to support the development and growth of young children in a nurturing and dynamic environment.

ABOUT CCGT:

We have been the Coast's leading employer of Apprentices and Trainees for over 40 years. Throughout your traineeship, you will be employed by CCGT and will work day-to-day with our host employer to receive your on-the-job training in the industry.

ABOUT THE HOST EMPLOYER:

Established in 2023, our Host Employer have a team of exceptionally skilled early childhood educators, committed to the highest standards of excellence and meticulous care. With a steadfast dedication to meeting the varied needs of children and their families, they endeavour to deliver consultation and to work collaboratively with all people involved in caring for children: parents, carers, teachers, and other professionals.

DESIRED QUALITIES:

Working With Children Check (WWCC)

First Aid Certificate

Ability to work well in a team environment

Ability to be flexible working rotating roster

A genuine desire to enter the Early Childhood Industry and a commitment to complete the training.

Ability to build warm, respectful and trusting relationships with children and families

KEY ROLES AND RESPONSIBILITIES:

Build good relationships with everyone involved to support families and children.

Help create and run educational activities as directed by the Lead Educator.

Assist in keeping the room running smoothly according to rules and guidelines.

Always keep the right number of educators for the number of children.

Maintain health and safety, especially in handling food.

Encourage teamwork and open communication.

As part of this Traineeship, you will be PAID to study a Certificate III in Early Childhood Education and Care through ON the Job Training at ECTARC (Early Childhood Training and Professional Development) over a period of 18 months.

For more information about this position, please contact Central Coast Group Training.

Kick-Start Your Career as a 1st-Year Apprentice Mechanic!

Do you love working with your hands, solving problems, and getting under the hood of cars? Our Host Employer is looking for an enthusiastic Apprentice Mechanic to join their dynamic

team!

If you have a passion for cars, enjoy variety in your workday, and are eager to learn the ins and outs of automotive repair and maintenance, this is the perfect opportunity to begin your career.

ABOUT CCGT:

For over 40 years, CCGT have been the leading employer of Apprentices and Trainees on the Coast.

Throughout your apprenticeship, you will be employed by CCGT and will work day-to-day with our host employer in order to receive your on-the-job training in the industry.

ABOUT THE HOST EMPLOYER:

Our Host Employer is a family owned business with over 50 years experience in the automotive industry. They are a multi-brand dealership specialising in Kia, Toyota, Sanyong and Renault. Our Host has a range of large dealerships across the Central Coast, each with its own service and repair centre. They're looking for an enthusiastic, reliable new Apprentice with a keen interest in mechanics to join their busy team!

DESIRED QUALITIES:

Driver's Licence & Own Vehicle (essential)

Eagerness to learn

Previous experience tinkering with cars (desired)

Genuine enthusiasm for cars and mechanics

Strong attention to detail and problem-solving skills

Team player with effective communication skills

YOUR ROLES AND RESPONSIBILITIES:

Servicing of vehicles

Assisting the tradesmen

Warranty and recall repairs

Minor diagnosing and repairing vehicles

Providing excellent customer service

Maintaining the cleanliness of the workshop

Working Monday to Friday, 8:00am to 4:06pm, with the potential for over-time and weekend work

As part of this Apprenticeship, you will be PAID to study a Certificate III in Light Vehicle Mechanical Technology through block release training over a period of 48 months.

For more information about this position, please contact Central Coast Group Training.

UOW College Nursing Information Session

6 November

Thinking about a career in Nursing?

Are you considering studying the HLT54121 Diploma of Nursing, have you applied, or already have an offer and still need answers? Don't worry we've got you covered.

Please join us for our upcoming online info session to find out how to become an enrolled nurse or progress onto the Bachelor of Nursing at UOW in just 18 months.

Staff and a previous UOW College Diploma of Nursing student will be available on the night to answer any questions you may have.

<https://uowcollege.swoogo.com/nursinginfo/2925875>

Western Sydney University Vice-Chancellor's Leadership Scholarship

Applications Close 24 November

The Vice-Chancellor's Leadership Scholarship (VCLS) aims to reward the success and accomplishments of high-achieving secondary school students who demonstrate excellence not only in their academic studies, but also in other aspects of their lives. Value of \$10,000 per year for up to 5 years* for an undergraduate degree including Honours, or for a five-year combined degree

https://www.westernsydney.edu.au/opportunities/scholarships/all_uws_scholarships/VCL

Closing Soon - Ignite Indigenous Traineeship Program at Western Sydney University

Applications Close 3 November

Multiple positions are available across various Western Sydney University campuses, including Bankstown, Campbelltown, Hawkesbury, Kingswood, Liverpool, Parramatta, and Westmead and you'll be asked to rank your preferences during the application process.

This 12-month traineeship provides a valuable opportunity to learn various aspects of business administration while working toward a Certificate III in Business. Based in various Schools, Divisions, and Institutes, you will gain hands-on experience in a dynamic business environment, providing administrative support and developing essential workplace skills.

As a Business Admin Trainee, you will be responsible for completing a Certificate III in Business (Administration) while providing essential service and administrative support to your workplace supervisor and business unit. Your duties will include maintaining record-keeping and filing systems, utilising computerised information systems and related technologies, and prioritising tasks to meet deadlines. Additionally, you will collaborate closely with your supervisor and colleagues, building and maintaining professional relationships with both internal and external stakeholders.

STEM at University of Sydney

STEM courses open up a world of opportunity

As new fields of STEM employment continue to emerge, it's important for today's graduates to be agile and able to adapt their skills to this fast-changing global economy.

What can I do with a STEM degree?

The range of STEM careers is broad and diverse, from biomedical engineering and software development to psychology and accounting. Our graduates are leading varied and fulfilling careers - we've taught Australia's first astronaut, an Antarctic explorer, a chief scientist and a Nobel laureate. The future is looking bright for tech innovators and critical thinkers, and our degrees can help you get an edge over the competition. Our purpose-built labs, teaching and learning hubs are home to the latest technology and equipment, providing you with an engaging and hands-on educational experience.

Find out more about the Faculty of Science, Faculty of Medicine and Health and the Faculty of Engineering and IT's laboratories and facilities.

TAFE Education and Career Pathways Expo 2024

12 November

In partnership with the City of Ryde, community members, current students and year 11 and 12 High School students are invited to attend the Education and Careers Expo.

The expo will include a series of workshops focusing on essential skills such as interview preparation, resume writing and how to access TAFE internal services such as library network, career counselling and disability support services. Additionally there will be interactive sessions and information stalls where you can speak to TAFE NSW teachers and staff about course offerings.

Private Colleges

Bedford College Scholarships

Our scholarships are designed to give students opportunities they might not otherwise have. We recognise that every student is different and all shine in their own way. We see hard work and determination as an indicator of a potential scholarship candidate and also recognise that there are many other reasons we may consider when selecting those to receive this grant.

AFTRS Building Tours

We believe that a country is shaped by its stories, to understand who we are and who we can be. As the national screen and broadcast school, the Australian Film Television and Radio School's (AFTRS) job is to train the talent who can create these stories.

General

Australian Federal Police - Entry Level Recruit Who we're looking for

We are always on the lookout for candidates with sound academic performance and strong critical-thinking skills. You must be over 18 to apply for a job at the AFP, but you can still register your interest in joining if you're under 18.

To be a police officer or protective service officer in the AFP, you must:

Be 18 years of age or over (you can still register your interest if you're under 18)

Be an Australian citizen

Hold a valid full, provisional or automatic-only driver's licence

Have at least a Year 10 certificate with a Cert IV/Diploma level qualification or Trade Certificate. University-level qualifications are welcomed

Complete and submit the AFP Employment Suitability Questionnaire

Provide your traffic history

Undergo security vetting

Undergo drug and alcohol testing

Meet character standards – if you have a history of breaking the law (even as a juvenile) or associating with people who are well-known to law enforcement, you may not be able to work for the AFP.

CSIRO Webinar - Ask me anything: Cybersecurity

Cybercrime is one of the fastest-growing threats in Australia, costing millions each year (source: AFP). As Cyber Security Awareness Month draws to a close, take the opportunity to strengthen your defences and stay secure.

On 31 October, join CSIRO's 'Ask Me Anything: Cybersecurity' webinar for expert guidance on tackling today's most urgent cyber threats.

The session will be moderated by Dr Liming Zhu, a prominent leader in AI and cybersecurity. Dr Lauren Ferro will discuss human-centric security and how user behaviour influences cyber defence.

Dr Sharif Abuadbba will delve into the growing risks posed by deepfakes and misinformation, while Mr Jamie Rossato, CSIRO's Chief Information Security Officer, will explore corporate cybersecurity strategies and how businesses can guard against evolving threats.

CSIRO Generation STEM 2024 Showcase - Western Sydney

6 November - Campbelltown

7 November - Blacktown

11 November - Parramatta

20 November - Bankstown

26 November - Penrith

28 November - Camden

This program aims to create strong partnerships between local schools and industry, with the goal of highlighting local STEM careers and opportunities and providing avenues for students to develop their STEM skills in a locally meaningful way.

Participating students have been investigating local issues such as cybersecurity, biodiversity and heat stress with the support of their teachers and industry mentors and have worked throughout the year to prepare their projects to be presented to the Western Sydney community. At the Showcase, you will have the opportunity to view the student solutions, ask questions and engage with the next generation of future thinkers.
