Term 1, Week 9 2024

## UNIVERSITY OF NEWCASTLE TALK TO YEAR 12

Three representatives from University of Newcastle, Tim, Melissa and Rhiana spoke to Year 12 during their Year Meeting on Tuesday 19 March.

Students heard about opportunities to study at University of Newcastle, their campuses, opportunities for early entry and scholarships. Undergraduate Guides were made available to students and opportunity was provided to ask questions following the talk. Copies of the Undergraduate Guide are available for any students who were absent on the day.

# ADMISSION OPTIONS

There are many pathways to uni.

- **Early Entry Program**
- **Schools Recommendation Scheme** – Year 11 results + school recommendation
- **Subject Spotlight** – HSC band score in specific subjects
- **Selection Rank** – ATAR + adjustment factors

## INTERESTED IN MINING ENGINEERING...?

Applications for Mining Engineer scholarships  
now open!

The Peabody logo is displayed in a bold, blue, sans-serif font. The word "Peabody" is written in a single line, with a horizontal bar underneath the letters "y" and "d".

Are you enrolling for a **bachelor degree in engineering**? Peabody wants to invest in the next generation of leading Mining Engineers!

**Expression of interest applications for their scholarship are now open**, and they're offering a whopping \$32,000 (\$8,000 per study year) towards bachelor's degree tuition.

## CONSTRUCTION OPPORTUNITY FOR INDIGENOUS STUDENTS

### Construction Pathways: Skilling Our Mob

**Delivery Dates:** 3 x 1 day programs – June 5, 11 and 25 (pending response to EOI)

**Location:** In Schools – TBC (pending response to EOI)

RIEP has partnered with Bara Barang Corporation Ltd to develop a construction and cultural program for Aboriginal and Torres Strait Islander students on the Central Coast.

The one day construction project, delivered by Construction Trade Qualifications (CTQ), will give students an opportunity to build a picnic bench whilst learning the foundations of the construction industry. Students will gain a greater understanding of the entry level requirements of construction industry and insights on employer expectations. Students will also develop a better understanding of their pathway choices beyond 2024.

The team at Bara Barang will be supporting this program by connecting with students to discuss Aboriginal identity and cultural education. Students will learn how kinship responsibility relates to work education and career planning.

On completion of the project, the picnic benches will be transported to Bara Barang's facility at Raspberry Fields, Mangrove Mountain.

Participating students and schools will be invited to the opening of the Raspberry Fields facility later this year where they will have the chance to see their picnic bench take pride of place.

**EOI Closes Friday 5/04/24. See Mr Russell if you are interested.**

# WE'RE HIRING

## 1ST YEAR LANDSCAPE CONSTRUCTION APPRENTICE

- PAID to study a Certificate III in Landscape Construction over 48 months
- White Card ESSENTIAL
- Working across various job sites on the Central Coast

## GENERAL NEWS

The following news items are sourced from Job Jump

### University - Institutes

#### **University of Sydney - Your HSC subjects and our majors**

What's the difference between a major and a minor? Unsure how your HSC subjects connect to Arts and Social Sciences subjects? Use this handy page as a guide in deciding what to study at University. <https://www.sydney.edu.au/arts/study/undergraduate-courses/hsc-subjects-and-majors.html>

#### **University of Sydney - The difference between Arts and Social Sciences majors**

Wondered what the difference is between Commerce and Economics? Social Work and Sociology? Media and Communications and Digital Cultures? Find the answers to some of the most commonly asked questions about our majors here. <https://www.sydney.edu.au/arts/news-and-events/news/2020/05/20/arts-explained.html>

#### **Open Academy's Rising Stars at the Con**

23 March

6 April

4, 11, 18, 25 May

and more dates throughout 2024

The Rising Stars Performance Platform is a unique opportunity for school aged students to showcase their musical prowess and practice their performance technique. These one-hour public concerts are presented weekly by the students during the semester and are held at 11am, 2pm, and 3pm in the auditoriums of the Sydney Conservatorium of Music each week.

The concerts are open to the public and are free to attend.

If you'd like to hear some talented young performers or inspire a child who is learning music, we'd love to see you there!

<https://openacademy.sydney.edu.au/rsdates>

#### **Reminder - University of Sydney Entry schemes and admission pathways Webinar**

27 March

There's more than one way to gain entry to your dream degree at the University of Sydney. Our entry schemes and pathways help you make the most of your ATAR by recognising your circumstances, special high school achievements and other abilities and activities. Join us to find out more.

[https://uni-sydney.zoom.us/webinar/register/WN\\_J9WT9IJgR3ai6lisy8--g](https://uni-sydney.zoom.us/webinar/register/WN_J9WT9IJgR3ai6lisy8--g)

#### **University of Sydney Environmental Engineering Evening**

4 April

Environmental engineering is crucial for developing sustainable solutions to address pressing environmental challenges, ensuring the health and well-being of both ecosystems and human populations for generations to come.

Join us as we celebrate the debut of the University of Sydney's Bachelor of Engineering Honours (Environmental Engineering) degree.

Attendees will be granted exclusive access to our cutting-edge laboratories, where they can observe the transformative effects of environmental engineering through real-world demonstrations. They will have the privilege of engaging with experienced environmental engineers actively shaping the field.

Attendees can delve deeper into our pioneering degree program, which will commence in 2025.

Choose from +45 different workshops, connect with current students & experts, explore UNSW's vibrant campus lifestyle and enjoy a free lunch from our delicious food trucks.

<https://www.unsw.edu.au/study/experience-days>

## **University - General**

### **The differences between high school and tertiary education**

The prospect of finishing high school and starting tertiary education is a daunting one for many students. You're forced to leave the friends, teachers and surroundings you have spent years with in exchange for a whole new environment. Although this can be a little overwhelming, it can also be an exciting and rewarding time — and, after the stress of Year 12, a welcome change for many. To give you an idea of what to expect in this transition, we've put together a list of differences between high school and tertiary education.

<https://www.gooduniversitiesguide.com.au/education-blogs/student-life/the-differences-between-high-school-and-tertiary-education>

### **UCAT, GAMSAT and Pathways into Medicine and Dentistry**

8 May

Register Now!

This forum is an excellent opportunity for teachers, students and their parents to find out about the UCAT, pathways into medicine, and have all questions answered by an expert teacher who has been working in the field since 1999.

With gift vouchers available, you can give someone an experience they will never forget!

<https://www.sfcaero.com.au/trial-introductory-flight>

### **Australian Institute of Music School Holiday Workshop - Songwriting**

15 April

Tickets Selling Fast!

Learn how to write and perform your own original songs!

Created for students in Years 9-12, AIM's new high school music workshops provide incredible opportunities to explore songwriting, mentored by AIM's own accomplished musicians and educators.

This songwriting workshop is essential for any high school students curious about writing songs and performing and is a golden opportunity to work with incredibly accomplished songwriters. Join us these school holidays and discover the songwriter and performer you were born to become.

Over the course of the workshop, students will work with professional

Songwriter/Composer/Producers Justyn Angel Ball & Bronte Maree O'Neill to expand their songwriting skills in a collaborative and inspiring environment. They will workshop harmony, melody, style, lyricism, basic arrangement and/or production and artistic performance. Under his guidance, they will use these new devices to write original music in collaboration with other students in the class to present a performance for family and friends.

<https://nursingcourses.net.au/nursing-scholarships/>

### **Anzac Day Schools' Awards**

Entries Close 31 May

The Department of Veterans' Affairs (DVA) is proud to host the Anzac Day Schools' Awards. This national competition recognises the work of students, teachers and schools who engage with veterans and honour Australia's wartime history.

The theme for 2024 is:

Discover the Stories of Veterans in Your Local Community.

Your entry **must** focus on learning about the experiences, service and stories of veterans from your local community. This will support students as they develop a deeper understanding of Australian involvement in wars, conflicts and peace operations.

### **Pathways to Become a Translator**

Find out about the prerequisites of becoming a certified translator. These may help guide your university course selection.

All professional NAATI credentials require you to complete formal training in translation or interpreting before applying to NAATI. There are different training requirements depending on the type of credential, from a diploma up to specialised master's degrees. You can read more about the requirements on each credential's webpage.

## Australian Community Workers

Free guide to community work in Australia A Guide to Community Work in Australia is set to help young people understand careers within community services. Created by ACWA, the guide describes what community workers do and how to become one. It also addresses confusion between community work, social work and personal care jobs.

## Dr Karl's Great Moments in Science

16 April

Is it a bird? Is it a plane? No, it's Dr Karl here to explain! Get ready for mind-bending facts, science-stuffed stories, and puns faster than the speed of light.

Find out how Flat Earthers are trying to pull a Swiftie on you, how earworms get in your brain, and why the NSW Government can fine you for simply waving to your family. Plus, what's 'Earth Overshoot Day' and does it involve basketballs?

Find out as Karl slam dunks his way through the science and gives us electric car solutions (not problems!) to powering Australia.
