

## 2023 HSC and Careers Expo

### [HSC and Careers Expo](#)

The HSC and Careers Expo comes to Sydney on 1<sup>st</sup> June for a three-day event. NESA representatives will be there to help students prepare for their HSC and provide expert advice and plenty of resources.

- **When:** Thursday 1 June to Saturday 3 June
- **Where:** [The Winx Stand, Royal Randwick Racecourse, Alison Rd, Randwick](#)

NESA representatives will also be at the

[Western Sydney Careers Expo](#) next month, from 22 – 24 June.

## Macquarie University Leaders and Achievers Program

**Year 12 webinar series: Early entry  
information session**

**Wednesday, 7 June 2023**

6:00 - 7:00pm

Students and parents will learn about Macquarie Leaders and Achievers and Schools Recommendation Scheme (SRS). They'll hear from current students about their early entry insights and experiences, and how to apply.

**Register now**

# MACQUARIE LEADERS AND ACHIEVERS EARLY ENTRY SCHEME

Applications are now open for the Macquarie Leaders and Achievers Early Entry Scheme! Current Year 12 students who have performed well academically in Year 11 and demonstrate leadership skills, personal development, and dedication through extracurricular activities, can apply for their dream degree through this scheme.

Your students could secure their dream degree early to allow them to focus and do their best on their final exams. [Hear how Sienna got into her dream degree early](#) – and how that helped her smash the HSC!

Students can list up to five courses in their application. Students will automatically be assessed for The [Macquarie Leaders and Achievers Scholarship](#) valued at \$10,000 per year for up to 5 years for 20 outstanding applicants and/or the [Bachelor of Economics Grant](#) valued at \$2,500 for their first year of study for 10 outstanding applicants.

## IMPORTANT INFORMATION

- Students apply directly through the Macquarie Leaders and Achievers webpage
- We recommend that students use their personal email address and not a school address to create their application.
- Students **cannot change their course preferences** once they have submitted their application (unlike SRS through UAC). They should list their course preferences according to what they wish to study most.
- **Students can only apply once and can only receive one outcome through this scheme.** If a student has received an application outcome in the first round, they will not be considered for another outcome in the second round.
- To be considered in the first round, students must submit their application by 11:59pm on Monday, 31 July 2023 to receive an outcome on 4 September. Final applications close on 31 August to receive an outcome on 28 September 2023.

[FIND OUT MORE](#)

### KEY DATES

Thursday, 1 June 2023 - Applications open for Macquarie Leaders and Achievers

Monday, 31 July 2023 - Round 1 applications close (11:59pm)

Thursday, 1 August 2023 – Round 2 applications close (11:59pm)

Monday, 4 September 2023 - Round 1 outcomes released

Thursday, 28 September 2023 - Round 2 outcomes released

# HSC Multiple Choice Quizzes – A Resource from NESA

Practicing past HSC questions is a good way to help students prepare for HSC exams and Trial exams. NESA have a helpful resource where you can try a random selection of HSC multiple choice questions from some past papers and then check to see if your answers are correct. When this was tried in a Year 12 Year Meeting recently using a CAFS quiz, we achieved a successful result.

To access the quiz page, visit [Home | Multiple Choice Quiz \(nesa.nsw.edu.au\)](https://www.nesa.nsw.edu.au).

MULTIPLE CHOICE QUIZ

Create Quiz — Community and Family Studies

Prepare for your HSC exams with these multiple choice questions.

All questions are taken from past HSC papers to provide examples of what you may be asked.

**i** We have removed subjects that support outdated or discontinued syllabuses. You can still access these old resources in [our archive](#).

Don't use archived resources for assessment as they could contain content that differs or is not covered in the current syllabus.

If you find any errors, please [Email us your feedback](#)

### Higher School Certificate (HSC) quiz

Select HSC quiz subject from the list below

Community and Family Studies

### Create quiz — Community and Family Studies HSC

Select how many questions you want in your quiz

The questions will be spread evenly across different skill areas within the subject

We recommend no more than 20 items at a time. It takes around 15 minutes to complete a 20 question test (45 seconds per question)

Select the exam year(s)

☒ HSC Examination 2018 (20 questions)  
☒ HSC Examination 2017 (19 questions)  
☒ HSC Examination 2016 (21 questions)  
☒ HSC Examination 2015 (20 questions)  
☐ HSC Examination 2014 (20 questions)  
☐ HSC Examination 2013 (20 questions)  
☐ HSC Examination 2012 (20 questions)  
☐ HSC Examination 2011 (20 questions)  
☐ HSC Examination 2010 (20 questions)

GENERATE QUIZ

HSC Exam Workbooks are available from the NESA Shop Website

2018 HSC Performing Arts  
\$40.00 AUD

2018 HSC Construction &  
\$35.00 AUD

2018 HSC Business Studies E...  
\$35.00 AUD

The HSC Exam Workbooks help students practise for the HSC using authentic exam material collected by the NESA from previous HSC exams.

These invaluable workbooks include:

- previous HSC exam questions
- guidelines provided to exam markers to assess student papers
- real examples of top-scoring student papers that include actual comments by the official marker
- top-scoring student answers
- tips for creating a plan and setting timings during the exam.

## Introducing UNSW Portfolio Entry Early Conditional Offers

We are excited to announce that for Term 1, 2024 onwards, **domestic** students who are successful in applying for the **UNSW Portfolio Entry Scheme** will be eligible for an **Early Conditional Offer**.

Portfolio Entry provides students applying for most **Arts, Design & Architecture** and **Engineering** degrees with the opportunity to showcase their passion and talent through a portfolio of work, alongside their ATAR.

### What is a Portfolio Entry Early Conditional Offer?

Successful applicants will receive an early conditional offer which has an adjusted ATAR requirement **up to 10 ATAR points below the lowest selection rank** for a specific degree or range of related degrees.

If a student meets or exceeds the adjusted ATAR requirement for an eligible degree and lists this as their highest eligible preference in UAC for the specified UAC offer round, then they will be issued a firm offer to that degree.

For Term 1, 2024 entry, firm offers for Portfolio Entry will be issued in UAC December Round 2 (NSW and ACT applicants) and January Round 1 (Interstate and IB applicants).

### When is the Deadline?

Submissions for Term 1, 2024 are already open, with early conditional offers released **Friday, 1 September 2023**.

A late round of Portfolio Entry applications will open **Saturday, 2 September 2023** and close on **Wednesday, 22 November 2023**. Late round early conditional offers will be released on **Friday, 8 December 2023**.

[Find out more](#) →

## Year 12 Information Evenings: Your Journey to UNSW

Students and parents can hear from our experts about the transition from high school to university and get all their questions answered on their pathway options – including our new Portfolio Entry Early Conditional Offer Scheme and the Gateway Application Pathway Early Offers and Early Conditional Offers.

We will also be hosting some of our top industry partners to talk about our work-integrated learning programs.

Students can attend in person or online:

- In-person: **Tuesday, 13 June**
- Online: **Thursday, 15 June**

## Australian Catholic University News

### A new, multimillion-dollar exercise and sport science facility opens in Blacktown in July

ACU Blacktown's Bachelor of Exercise and Sports Science and Bachelor of High Performance Sport degrees will be taught from our new state-of-the-art facility known as BEST (Blacktown Exercise, Sport and Technology hub). At a cost of over \$100 million, the facility will house specialist teaching labs for all Blacktown students. Purpose-designed exercise physiology, biomechanics, and strength and conditioning labs will allow students to develop knowledge, skills and experience in exercise and sport science.

Our Sydney team will be hosting a Discover ACU event in this exciting new facility on 21 November for interested students.

# Avondale President's Scholarship

For more details about the President scholarship and how to apply, see the [pdf document attached](#) to the Careers Newsletter email for this week. See also [www.avondale.edu.au](http://www.avondale.edu.au)

## SCHOLARSHIPS

### THE AVONDALE VICE CHANCELLOR / PRESIDENT'S SCHOLARSHIP

The Vice Chancellor / President's Scholarship is one of Avondale University's (Avondale's) most prestigious scholarships. It is awarded to students in their final year of selected secondary schools throughout Australia and New Zealand. This scholarship is reserved for students who show transformational qualities through their schooling years. Potential students for this scholarship may be nominated by their school or they may self-nominate with endorsement from their school. The scholarship is awarded to the student who best fulfills the scholarship criteria. This decision is made by the Avondale Scholarships and Prizes Committee, in consultation with the applicant's School Principal.

#### Applicants must demonstrate:

- A strong positive influence that changes the lives of others
- A significant contribution to school, community, family and/or church

#### DETAILS

The Avondale Vice Chancellor / President's Scholarship is worth up to \$8,000 in total. It is worth \$3,000 in the first year of study (\$1,500 per semester) in an undergraduate degree or an Outdoor Leadership Vocational Education and Training (VET) course, \$2,000 (\$1,000 per semester) in the second year and \$1,500 per year (\$750 per semester) for the third and (where relevant) fourth year of a degree course. The scholarship is granted for a maximum of four years. Recipients receive a certificate and letter of congratulation.

#### CONDITIONS

- 1 Direct entry into an undergraduate degree or Outdoor Leadership course, but does not include provisional entry and adjustment factors;
- 2 Normally only one Vice Chancellor / President's Scholarship will be presented per eligible school;
- 3 The scholarship is not transferable to any other student;
- 4 Prior to commencing enrolment at Avondale the scholarship can be deferred for up to one year. Recipients must notify Student Administration Services in writing if they wish to defer their scholarship;
- 5 Once the recipient has commenced enrolment at Avondale the scholarship can be deferred for up to one year only. Recipients must have approved intermission and notify Student Administration Services in writing if they wish to defer their scholarship;
- 6 The recipient can only receive benefit from one Avondale funded scholarship per year;
- 7 The semester value of the scholarship can only be applied to the recipient's general fees account or tuition account after Census date and cannot be redeemed for cash, in part or in whole;
- 8 If payment of the full scholarship places the recipient's account in credit in the first year, the excess funds may be applied to the recipient's account in the second year;
- 9 The recipient must undertake a full-time study load of at least 18 credit points (3 units) (or equivalent in an Outdoor Leadership VET course) per semester. The scholarship will be discontinued following the semester in which less than 18 credit points (3 units) (or equivalent in Outdoor Leadership VET course) are taken, however recipients may apply in writing to the Director, Student Administration Services, for special consideration if there is a case of extenuating circumstances. Any approved cross-institutional study will be included when determining a student's study load for each semester;
- 10 Continuance of the scholarship is contingent upon the recipient maintaining an academic status of 'Good Standing' by passing more than 50% of units in a semester;
- 11 The scholarship is granted for a maximum of four years and this needs to be taken into account where a recipient chooses to change course while enrolled at Avondale;
- 12 All offers are made subject to confirmation of academic status;
- 13 All recipients should be of good standing in the community. Scholarships or part thereof may be revoked at the discretion of the Discipline Committee, where the recipient brings the name of Avondale into disrepute.

# Technology Cadetship

For more information visit [Professional Cadetships Australia](#). Applications close 2 June, 2023

To apply, visit [Application Form | ETCAD | Professional Cadetships Australia](#)

## Are you a creative thinker who would like to explore financial technology?

### If you can demonstrate:

- Consistent academic effort and achievement at school
- Transferable skills relevant to technology
- Evidence of leadership potential
- Team involvement at school and/or in the community
- Work experience (paid or unpaid)
- Personal motivation

### Apply for a cadetship under the Engineering & Technology Cadetships (ETCAD) Program

Applications are made to Professional Cadetships Australia, an Australian company that specialises in placing Year 12 students with leading companies.

### Study at university while you undertake paid work at UBS

Technology Cadetships are open to Year 12 students in 2023. There are opportunities for cadet placement in the Chief Digital & Information Office (CDIO) at UBS in Sydney.

Technology Cadets combine work with university study in computer science, information technology or information systems. Alternatively, cadets may undertake a generalist degree like arts or business.

Engineering Cadetships will not be offered under this year's ETCAD Program.

# Future Choices Expo

[Click here](#) to register. Parents can accompany students or students can attend on their own at their parents' discretion.

## 2023 Future Choices

### Transition Expo for Students with Disability

**Wednesday 2 August |  
9.00 am - 1.00 pm**

McDonald Jones Stadium,  
Turton Road, Broadmeadow

**Wednesday 30 August |  
9.00am - 1.00pm**

Mingara Recreation Club,  
Mingara Drive, Tumbi Umbi

Everything students, families-carers and schools need to know about moving to life after study with disability.... university, VET, apprenticeships/traineeships, employment, community connections, advocacy, disability services, support services, technology and more!

You may not think of yourself as having a "disability" but the definition is broad and includes learning disability, Autism Spectrum Disorder, medical conditions, mental illness, physical conditions, sensory impairments, intellectual disability, and much more.

Do you have to put in extra effort during study because of your disability or condition? If so, then this Expo is for you

## Reminder about the Construction Festival on 7 June

Please see Mr Russell to register. Your own transport to and from the event is needed.

# MORE THAN JUST BUILDING THINGS

## Construction Industry Careers Festival

Thinking of a career in construction?  
Not sure if it's right for you?  
Don't know where to start?

Brought to you by **Stronger Than My Exosuit**, Funded by the Federal Government through the Industry Training Hubs

**industry training hubs** **STRONGER THAN MY EXOSUIT**  
AN AUSTRALIAN GOVERNMENT INITIATIVE

**Wednesday 7th June 2023**  
**8:30am - 3:30pm**  
(Panels conclude at 2pm)

Mingara Recreation Club,  
12-14 Mingara Dr, Tumbl Umbi, NSW 2261

See QR Code for full agenda and panel discussion times

### How can the festival help me?

- Panellists will be a balance of youth in construction, industry leaders, industry bodies and other experts.
- Choose the panels that are right for you and be part of the studio audience as they are filmed.
- Time to network between panels to ensure connections are made.
- Q&A sessions
- Wander through our EXPO with 30 exhibitors. Open all day.
- Mentoring Workshops, (attendees connect with mentors with a view to post event collaboration - optional attendance)
- Post event site visits coordinated by various construction companies nearby.

### Come and hear from not only industry experts, but people who've gone before you.

Hear from others who have chosen this career path and are now working within the industry in many varied positions. Four panel discussions in one event. These include:

**PANEL 1: Construction? What Does My Future Look Like?**

**PANEL 2: What opportunities does the VET program offer?**

**PANEL 3: Women in Construction?**

**PANEL 4: Why Construction has Been a Success For Me?**

We offer an event with direct exposure to VET Pathways in Construction. Students and Parents will be exposed to influential industry leaders, VET pathway's success stories, careers advisors, and industry bodies.

- ✔ Showcase success stories of VET pathway graduates and young industry achievers
- ✔ Facilitate employer connections and career pathway discussions for students
- ✔ Provide peer insights instead of lectures from older generations
- ✔ Address changing job search behaviors of students
- ✔ Update careers advisors on Construction Industry job opportunities
- ✔ Improve Construction companies' understanding of VET programs

## Interested to Design and Build Systems that help in Defence

**BAE Systems**

### Do You Enjoy Problem Solving? BAE Has the Career for You!

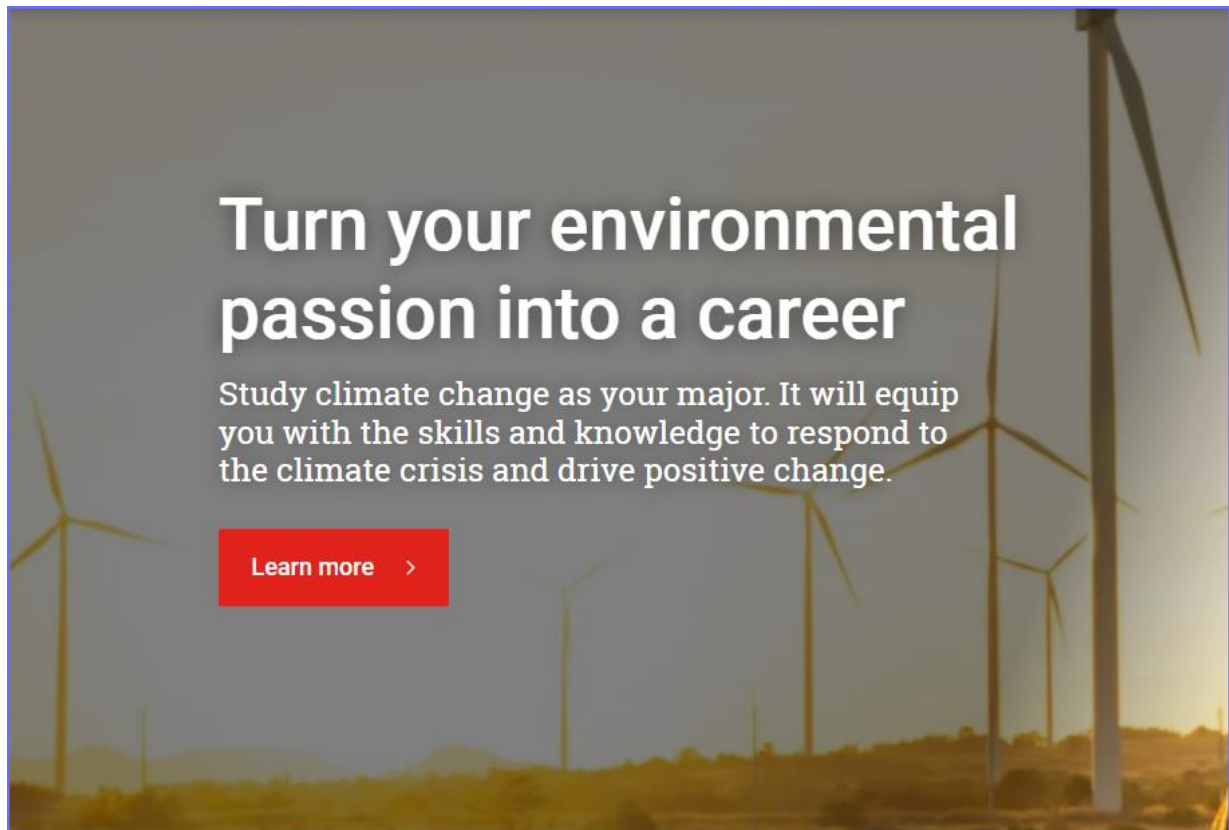

BAE Systems is Australia's most versatile defence company. Whether you see yourself as an Aeronautical Engineer, Cybersecurity expert or working in a variety of trade areas, BAE Systems has a job for you.

[Click here to learn more](#)

## Interested in Climate Change...?

Make an impact through La Trobe's climate change major. As the first of its kind in Australia\*, students can study climate change as a major in a wide range of discipline areas including science, global studies, health sciences and more.

By choosing this major students will:

- unpack the scientific, economic, social and cultural principles underpinning the climate change debate
- investigate governmental law, policy and political responses
- examine the public health implications of a changing climate.

[FIND OUT MORE >](#)

\* The climate change major at La Trobe University is the first of its kind in Australia as it is non-cognate and inter-disciplinary, and it provides the unique opportunity for students to study the global challenge of anthropogenic climate change from a wide range of disciplines including law, economics, public health and archaeology.

# Interested in Medicine or Dentistry...?

## Considering a Career in Medicine or Dentistry?

### UCAT, Interviews, Med School Applications, Pathways into Medicine and Dentistry (for universities in Australia)

#### ***Free Webinar***

An Excellent Opportunity for Students and Parents

**~ 5 June 2023, 7.00pm – 9.00pm (AEST) ~**

**[REGISTER NOW](#)**

An invaluable forum recommended to students considering a career in Medicine or Dentistry, and especially for those who already know that they will be sitting the UCAT or attending Med School Interviews.

This forum is an excellent opportunity for students and parents to find out about the UCAT, Interviews, Pathways into Medicine, and have all questions answered by expert teachers who have been working in the field since 1999.

**The session is PACKED with invaluable information during which we will be covering the following topics, and more.**

- What is UCAT? UCAT scores? UCAT Sub-tests?
- Year 10, 11 and 12 - things to consider now.
- The Undergraduate Selection Criteria
- Application process into universities for medicine and dentistry
- When and who can sit the UCAT
- GAMSAT
- Can you prepare for the UCAT?
- Undergraduate interview process
- Med School Applications
- Gap Year
- Alternative degrees and career choices
- Q & A

# Aboriginal VET Cadet Program

Transport for NSW

## More Transport Into More Than Just A Job: Discover the Aboriginal VET Cadet Program!

*Want to get paid to make a difference in the community and kick-start your career? This opportunity is open to Aboriginal and/or Torres Strait Islander people.*

You probably already know a bit about Transport for NSW: as a government organisation, they lead in developing safe, integrated, and efficient transport systems that keep NSW moving!

Right now, they're delivering the largest transport infrastructure program in Australia's history.

*And their cadet program is the perfect chance to kickstart an exciting career in the sector.*

The Aboriginal VET (Vocational Education & Training) Cadet Program is a dedicated program to support young people who identify as Aboriginal and/or Torres Strait Islanders to get their foot in the door.

### Here's a look at what the program includes:

- Two-year program combining paid work with training and studying for qualifications with TAFE/RTO.
- Opportunity to gain a Certificate IV in a related discipline such as business, surveying, IT, or project management.
- Opportunity to apply for roles within Transport after the program.
- And much more!

Candidates will receive support and mentoring every step of the way as they embark on the first step of an exciting future!

**Applications open in June for a limited time.**

**Ready to be part of something bigger?** For more info or if you have any questions, email with your inquiry to [Aboriginal.Employment@transport.nsw.gov.au](mailto:Aboriginal.Employment@transport.nsw.gov.au)

# Job Opportunities

**In partnership with Construction Trade Qualifications, we are excited to announce that our successful Building Lady Tradies program is back - and this time, we're also headed to Orange!**

Building Lady Tradies 2.0 is a fee-free program for women who are looking to get a head start in a construction career. This program focuses on all aspects of the construction industry with REAL trade-like experiences. Participants will also receive career guidance and work experience through Central Coast Group Training.

## **START DATES:**

**Wyong, NSW: 4 September 2023** ([Watch the Wyong information video here](#))

The course will run Monday – Thursday, over 5 weeks for Wyong and 4 weeks for Orange, and the participants will complete units that provide them with new skills and the opportunity to branch out into a career in a trade.

## **BENEFITS:**

Each participant will receive:

- Personal Protective Equipment
- Travel Assistance, if required
- Childcare Assistance, if required
- Competencies that can transfer to a qualification upon successful completion of the program should you wish to progress with an apprenticeship

## **WHO CAN PARTICIPATE:**

This is open to females who are either looking to start or change their careers that are:

- 15 years or older at the time of enrolment
- No longer at school
- Living or working in NSW
- An Australia citizen, permanent resident, a humanitarian visa holder or NZ citizen.

Want to be a part of it? [Click here to register your interest!](#)

Call 1300 270 539 or email [admin@ctq.edu.au](mailto:admin@ctq.edu.au) for more information.

#### **University of Sydney - Interaction Design at Sydney Webinar**

28 June

Learn about how our new Bachelor of Design (Interaction Design) will provide you with the innovative technical and social design skills to become a leading edge designer in today's fast-paced job market. Find out how your passion for creativity and problem solving can be harnessed for a career in digital and visual design.

[https://uni-sydney.zoom.us/webinar/register/WN\\_oAcVqiJ7Q\\_KxBFC0n4d7Cw](https://uni-sydney.zoom.us/webinar/register/WN_oAcVqiJ7Q_KxBFC0n4d7Cw)

#### **University of Sydney - Nursing at Sydney Webinar**

21 June

Nursing is one of the Australia's fastest growing employment sectors. Our Bachelor of Nursing (Advanced Studies) and double degrees in nursing will prepare you to apply for registration to practice as a nurse in Australia. Find out about the course details, admission requirements, study location, career pathways, clinical placements and nursing registration from Dr Tonia Crawford, Director Pre-registration Programs.

[https://uni-sydney.zoom.us/webinar/register/WN\\_fb0oZzILRLaKN7X7du1rww#/registration](https://uni-sydney.zoom.us/webinar/register/WN_fb0oZzILRLaKN7X7du1rww#/registration)

## **Your way to UTS - Information Session**

6 June

Start your journey to Australia's #1 Young University. Explore how you can study at UTS through UTS College. UTS College offers pathway programs designed to get you into the UTS degree you want. Whether you're looking for a foundation course to prepare you for uni or a diploma program that can fast track you into 2nd year at UTS – we can help!

Join our webinar to find out how UTS College can help you.

<https://utscollege.edu.au/au/about/events/your-way-to-uts-information-session-6-jun-2023>

## **Reminder - CSU EngFest 2023**

6 - 8 June

EngFest is Charles Sturt's annual three-day celebration of civil engineering, with exhibitions and presentations of student works and research, school visits and information sessions, a careers expo, industry networking, professional development events and more.

It brings together students, cadet and professional civil engineers, researchers, representatives of Engineers Australia, interested members of the public and school students.

We invite you to come along to meet the engineers of tomorrow and see what the future of engineering holds.

<https://www.csu.edu.au/engineering/engfest>

## **University of Newcastle - Joint Medical Program 2024 - How to Apply – 5 Steps**

To apply to the Joint Medical Program in 2024, you must complete the following three steps. Our Joint Medical Program is world-class and entry is competitive. Each year, 170 places are available in the program across both the University of Newcastle and the University of New England; more than 3,500 people apply for those spaces. Your application will go through a rigorous selection process. If your application isn't successful, we encourage you to apply again the following year or to consider one of the many alternative degrees offered by the University of Newcastle or the University of New England.

<https://www.newcastle.edu.au/joint-medical-program/how-to-apply>

## **UNSW Portfolio Entry Early Conditional Offer Scheme**

Applications Close 21 July

With UNSW Portfolio Entry, your pathway into uni is unique - just like you.

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why from Term 1 2024, we'll be evolving our UNSW Portfolio Entry Scheme to offer early conditional offers, giving you the opportunity to demonstrate your passion and talent alongside your ATAR. Successful applicants will receive an early conditional offer with an adjusted ATAR entry requirement up to 10 ATAR points below the lowest selection rank for a specific degree or range of related degrees.

If this sounds like you, we want to see your portfolio submission. It's an easy, online process and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in.

Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

<https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry>

## **University - General**

### **Why I chose to study arts**

Studying for her HSC, Akala Newman was worried she wouldn't get into her arts degree. 'I love academia, but it doesn't come naturally to me,' she says. 'I'm not built that way.'

<https://www.uac.edu.au/media-centre/news/why-i-chose-to-study-arts>

### **Webinar - UCAT & Pathways into Medicine**

5 June

Considering a Career in Medicine or Dentistry?

An invaluable forum recommended to students considering a career in Medicine or Dentistry, and especially for those who already know that they will be sitting the UCAT or attending Med School Interviews.

This forum is an excellent opportunity for students and parents to find out about the UCAT, Interviews, Pathways into Medicine, and have all questions answered by expert teachers who have been working in the field since 1999.

Topics Include:

- What is UCAT? UCAT scores? UCAT Sub-tests?
- Year 10, 11 and 12 - things to consider now.
- The Undergraduate Selection Criteria

- Application process into universities for medicine and dentistry
- When and who can sit the UCAT
- GAMSAT
- Can you prepare for the UCAT?
- Undergraduate interview process
- Med School Applications
- Gap Year
- Alternative degrees and career choices
- Q & A

<https://www.nie.edu.au/ucat-free/free-ucat-information-sessions>

## **TAFE**

### **NECA Apprenticeships Mid-Year Intake for Electrical Apprenticeships**

NECA are currently accepting applications for their Mid Year recruitment intake of Electrical Apprenticeships. They have some exciting career opportunities available to potential applicants.

<https://www.necatrainng.com.au/electrical-apprentices/expression-of-interest/>

### **NECA Apprenticeships Mid-Year Intake - Data Communications**

NECA are currently accepting applications for their Mid Year recruitment intake of Data Communications Apprenticeships. They have some exciting career opportunities available to potential applicants.

Apprenticeship offers practical, hands-on learning experiences that can't be matched by classroom education alone. As a telecommunications apprentice, you will receive extensive on-the-job training and mentoring from experienced professionals in the industry.

<https://www.necatrainng.com.au/data-communications-apprenticeship/>

### **Get a Dynamic Career with the TAFE NSW Bachelor of Early Childhood Education and Care (Birth-5)**

If you love working with children, this accredited four-year teaching degree is for you.

This degree has a strong applied learning focus so that when you graduate, you'll be prepared to work in a variety of settings such as day care, preschool, integrated child and family services. As well as practical core units, you will undertake a work placement each semester that allows you to apply what you've learned in a real setting.

<https://www.tafensw.edu.au/course-areas/education-and-training?filter=degree-level#early-childhood-education-and-care>

### **TAFE Bachelor of Applied Commerce**

Designed in consultation with industry, the Bachelor of Applied Commerce provides you with the skills and knowledge you need to be a successful financial professional. Complete your major in either accounting or financial planning, or do a double major. As well as developing knowledge and skills in accounting and financial planning, you will study management, marketing, law, economics and business statistics, as well as doing an industry placement in third year.

Alternatively, you can complete a Diploma of Applied Commerce by completing all first year subjects in the degree.

<https://www.tafensw.edu.au/course-areas/accounting-and-finance?filter=degree-level>

### **TAFE Bachelor of Applied Commerce**

250 Blaxland Road Ryde

Utilising the professional kitchens of TAFE NSW, the Academy team alongside international guest chefs, ensure you emerge with a dream patisserie skill set. From perfecting the art of cake decorating to baking the perfect sourdough, pulling exquisite sugar ribbons to creating one-of-a-kind chocolate show pieces, the Academy is dedicated to preserving the art of patisserie.

Classes are short, flexible and constantly changing to reflect industry trends. So whether you're a passionate weekend baker or master chocolatier, there's a course that's your perfect mix.

<https://www.tafensw.edu.au/australian-patisserie-academy>

### **Tocal (Virtual) Farms**

Take a virtual tour on any area that takes your interest.

Dairy, beef, sheep, horses, eggs, property, natural resources, bees.

Tocal is a 2200-hectare farm located in the lower Hunter Valley of New South Wales, Australia. The property contains a range of natural ecosystems, from rainforest remnants and wetlands to dry sclerophyll forests. The main

farm enterprises are beef cattle, dairying, horse breeding, and free-range egg production, with a small demonstration of sheep flock and some cropping.

The current management at Tocal aims to maintain a strong reputation by adopting best practice property management for livestock, ecological benefits, people, animals and the environment.

<https://www.tocal.nsw.edu.au/farm-and-facilities/tocal-farms/tocal-virtual-farm-navigation>

### **Tocal Farming and Agriculture Open Days**

7 & 14 July, 29 September and 6 October

Our College Open Days are a wonderful opportunity to visit Tocal and experience first hand all that it can offer students who are eager for a rewarding career in agriculture, agribusiness or horse breeding and training.

The Open Days are held on the Fridays of the winter and spring school holidays and provide prospective students, their families and carers an ideal forum to visit the College and get a feel for what life as a student is really like.

Should you require accommodation while attending the Open Days, Tocal College has a range of excellent and affordable accommodation options. These include motel rooms, flats and cottages.

<https://www.tocal.nsw.edu.au/students/future-students/open-days>

### **TAFE NSW 2024 TVET Guide**

TAFE-delivered Vocational Education and Training (TVET) courses help students build practical skills and industry specific knowledge, and count toward school outcomes, with some courses contributing towards an Australian Tertiary Admission Rank (ATAR). Download a copy of the new 2024 TVET Guide now.

<https://www.tafensw.edu.au/documents/60140/76288/TVET-Brochure.pdf>

[https://www.eventbrite.com/e/2023-permanent-firefighter-recruitment-information-sessions-tickets-637887186747?aff=ebdssbehomepeforyou&keep\\_tld=1](https://www.eventbrite.com/e/2023-permanent-firefighter-recruitment-information-sessions-tickets-637887186747?aff=ebdssbehomepeforyou&keep_tld=1)

### **ANSTO Saturday Science Discovery Tour**

24 June

This tour provides an in-depth look into the world of nuclear science and the work ANSTO does in the areas of health, the environment and delivering solutions for industry. Subject to availability, we will visit Australia's only nuclear reactor OPAL, the Australian Centre for Neutron Scattering, the ANSTO Nuclear Medicine facility and the Centre for Accelerator Science.

<https://www.ansto.gov.au/whats-on/saturday-science-discovery-tour-11>

### **Get Kids into Surveying**

Developed in the UK, Get Kids into Survey poster series puts surveying and geospatial science in the spotlight and renders it approachable by highlighting what makes the professions exciting, challenging and rewarding.

Like the Where's Wally puzzles of yesteryear, every poster is crammed with colourful characters, amusing situations and more. With complementary Q&A sheets that can be downloaded online, these educational aids help generate land surveying discussions in the classroom, at home and beyond.

Set against the backdrop of Sydney Harbour, with the Opera House dominating the skyline, this eye-catching and colourful poster places surveying jobs and geospatial studies in a very Australian context – making it the perfect talking point for primary school students.

Did we mention that they're freely available online?

<https://www.alifewithoutlimits.com.au/get-kids-into-survey/>

### **Conservation Volunteers - Working towards a world in which people and nature flourish together**

We exist to strengthen the health of communities and ecosystems for mutual benefit, across Australia. Through our work, we're building a more harmonious and helpful relationship between people and nature.

People tell us that they want to play their part to re-balance nature, but they don't know where to start. So, for almost 40 years we've been working to give people that opportunity through hands on volunteering.

Now, we're growing our work to empower anyone across Australia to take action for nature through an even wider range of practical activities.

<https://volunteerportal.conservationvolunteers.com.au/s/make-booking>

### **Clean Up Australia - Schools can host a Clean Up any day of the year!**

A School Clean Up is a great way to inspire your students to learn about the impact of rubbish on their local environment while playing an active role in their community.

Students and teachers work together to clean up an area which is special to you. It can be the play ground, a local park, or maybe bushland near your school - it's up to you.

<https://www.cleanup.org.au/schools>

### **What you can do at home or work to get involved in Landcare**

Do you ever think about who cares for your local bushland, waterways or coastline in your suburb?

You can be part of a movement who do something every day to make a difference to caring for your local environment.

Did you know research has proven that people who are involved in local groups and volunteer to improve their local environment are happier and healthier?

We know many people are time poor but there are many ways to get involved that don't take up a huge amount of time. Every little bit helps. There's a reason over 100,000 people are already regularly involved. Give it a go!!

<https://landcareaustralia.org.au/about/what-you-can-do-at-home-or-work-to-get-involved-in-landcare/>

## **Science Week 2023**

12 - 20 August

The school theme for National Science Week in 2023 is *Innovation: Powering Future Industries*. The theme will incorporate the advancement in technology in all industries, especially using artificial intelligence (AI).

The curriculum focus of the theme will be on:

- Science as a Human Endeavour
- Chemical Sciences
- Physical Sciences
- Earth and Space Sciences, and
- Biological Sciences.

Along with the Sustainability cross-curriculum priority, it will be versatile and accessible to all students and all teachers.

Student investigations could include the use of AI in industry, as well as recent advancements in renewable energy technology, data science, and environmental monitoring. With topics of interest from medicine to marine research, agriculture, climate change and mining there will be opportunities to engage with the theme from a variety of perspectives.

### **Combine Construction and Finance Careers - AIQS Quantity Surveyors Scholarships**

Applications Close 31 October 2023

Through the generosity of the late Donald Napier, AIQS is able to support the future leaders of the profession as they begin their university degree.

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited university in Australia.

Of the scholarships offered, at least one Equity Scholarship will be awarded to a student experiencing educational disadvantages.

We offer a limited number of scholarships for year 12 students who qualify for entry into an AIQS accredited course in Australia.

The value of the scholarship is AU\$5,000 and includes:

- AU\$4,000 (\$1,000 upon enrolment, \$1,000 after completion of eight units, \$2,000 upon completion of degree). This is paid as cash into your bank account.
- Text books and manuals (published by AIQS) including the Australian and New Zealand Standard Method of Measurement
- AIQS Student membership whilst studying the accredited degree
- AIQS Graduate membership for one year (post graduation).

### **Future Doctors Australia**

5-8 October

Gaining medical work experience is essential for young people considering a career in medicine. It provides insight into the field, helps develop skills and attributes, and provides networking opportunities. However, obtaining medical work experience can be challenging due to various restrictions such as limited opportunities, safety concerns, and confidentiality issues.

That's why NIE has developed the "Future Doctors Australia" program. It is an engaging and high-impact 4-day program that provides young people with a unique opportunity to gain medical work experience in a safe and structured environment. Participants will have the opportunity to spend time with current junior and senior medical students. They will also have the rare opportunity to spend time with more senior clinicians and various medical specialists. You will get to learn about clinical's specialist's relevant fields of work, ask them questions, and learn some hands-on skills from them.

### **How high school physics can lead to an awesome renewable energy career**

Renewable energy engineering careers are growing rapidly as the world moves to sustainable energy – but you'll need physics to apply

As a Brisbane high school physics student in the 50s, a young Martin Green — now a professor and world-famous renewable energy engineer — might have been wondering exactly how he'd end up using everything he learned about atom models and vectors in class.
