TAFE^{NSW}

Free seminars

Below is information regarding the partnership between InspirationED and University of Newcastle to register for upcoming HSC seminars to relieve stress and anxiety for students starting year 10, 11 and 12.

We know how overwhelming the HSC can be at all stages, which is why we have partnered with InspirationED to present a set of free seminars designed to handle stress and motivate students in the lead up to their studies.

Here's what's on the agenda:

- Practical tips to handle stress & motivation
- Tried-and-true strategies to nail your HSC
- A straightforward guide to understanding the ATAR
- An English seminar on the common module & how to write better essays.

For parents, we also have practical tips on how to support your child through the HSC.

Why your students will love these sessions:

- **Real Insights:** Direct, actionable advice. In these 45-min sessions, we'll share the best study strategies, exam techniques, and ways to stay on track during your HSC year/s.
- **Wisdom from the Experts:** Our seminars feature expert HSC Markers and qualified counsellors ready to share their tips and years of experience.

[Register now](#) for this half-day event from 9:30am to 12:15pm on Saturday 18th November.

TAFE 2 Uni Pathway

Do you have students currently undertaking a TAFE course (or another vocational qualification) as part of their school studies? Or students planning to enrol in TAFE after school with university on the horizon after completing TAFE?

Our TAFE 2 Uni pathway is becoming increasingly popular as a non-ATAR option, and we invite you and your students to find out more.

Hear from Admissions Team and a current Student Ambassador about their personal journey and experience as a TAFE 2 Uni success story.

Register now to join our recorded webinar via zoom:

Date: Thursday 26 October 2023

Time: 5:00pm – 6:00pm

Register >> www.newcastle.edu.au/tafe

Interested in Medicine...?

MedEntry is running a free, interactive, online webinar for careers advisors, parents and students. The session will cover pathways into medicine/dentistry, prerequisite subjects, how to prepare for UCAT & interviews (including free resources to pass onto students), and a Q&A session.

The webinar will be run by Dr Ray Boyapati (Gastroenterologist at Monash Health and Director of Education at MedEntry). A similar session which was run last year was very well received by attendees.

Date and Time: Monday 6th November 2023 from 7:30-8:30pm AEDT (Melbourne / Sydney time). [Please click here to register](#). All registrants will receive a link to the recording in the event you are unable to attend.

Interested in AFL...?

The poster features a red background with white and blue Aboriginal art patterns. On the left, a female player in a red and white Sydney Swans jersey is running. On the right, a male player in a red and white Sydney Swans jersey is celebrating. The text is centered in white and red.

Legacy Scholarship Program

BRISBANE WATER (NSW)

LEGACY

2024 Legacy Scholarship Program

Are you the direct descendant (i.e. child, grandchild or even great-grandchild) of a veteran of the Australia Defence Force? If so, and:

- you reside on the Central Coast; and
- are under 25 years of age,

you may be eligible to apply for one of our scholarships.

Legacy offers scholarships for study at university, TAFE or approved private colleges as well as for apprenticeships, short or part-time VET courses and courses in the creative arts or sport. Legacy can also provide eligible high school students with financial assistance to help them complete Years 11 and 12.

Legacy scholarships range from up to \$3000 for a VET course to \$5000 for the first year of a university degree, increasing to \$6000 in year 3.

For further information please click on the QR code or link below or contact Legacy via email.

Apply now for an Apprenticeship position commencing January 2024.
Start your career today!

Submit your resume through our website www.mbagtp.com.au or email it to mbagtp@mbagtp.com.au with the subject as the trade your interested in.
Eg: 'Plumbing Apprenticeship 2024'

Apprenticeship Gardener

Apprentice Gardener (1st Year)

Lake Macquarie, NSW

Full-time
4 year Apprenticeship

Avondale University is seeking to engage an Apprentice Gardener. Avondale will offer on-the-job training and you will undertake a TAFE course for the formal education component of your training. This is a 4 year Apprenticeship where you will complete a Certificate III in Parks and Gardens.

What will you do?

Work with Avondale's qualified Grounds Person to learn the trade.
Undertaking general maintenance work in various areas throughout the University.

About you

Applicants will need to demonstrate that they possess:

- An aptitude for outdoor gardening and maintenance based work.
- Strong interest in horticulture.
- Enthusiasm for learning.
- Demonstrated ability to follow instructions and work under supervision.
- Basic literary skills and general mathematical abilities.
- An appropriate level of physical fitness for a labour intensive role.
- An ability to relate to staff and students in a variety of situations.
- The ability to cooperate with all work health and safety policies and procedures.
- Support for Avondale's mission, values, and ethos.

Why work at Avondale?

- Values driven organisation.
- Compressed working week with half day Friday's.
- Heavily discounted further study options.
- Discounted school fees for attendance at Adventist schools.
- Free access to Avondale Libraries.
- Café on Lake Macquarie Campus.
- Discounted gym memberships.
- Free access to onsite 25 metre heated swimming pool on Lake Macquarie campus.
- Free access to onsite ovals, tennis courts, squash courts and Auditorium on Lake Macquarie campus.

Please visit www.avondale.edu.au/employment for the job description and details of this position.

For further information about the role, please email Avondale University's People and Culture Manager at jolisa.rabo@avondale.edu.au.

Email your application to employment@avondale.edu.au, including:

- A resume
- A covering letter
- Contact details of three referees

Salary: Apprentice 1st Year \$14.62 per hour, plus superannuation.

Applications close on 12 November 2023.

Applicants must have the right to work in Australia. Avondale is an equal opportunity employer and reserves the right to make a delayed appointment, not to appoint, or to appoint by invitation.

University - Institutes

UOW Transforming Futures Scholarships

Closes 8 December

Transforming Futures Scholarships are made possible through generous gifts from UOW alumni, staff and donors. These \$3000 scholarships per year over duration of 3 years recognise the capacity in all students and seek to provide support to ensure students can participate in, and make the most of their higher education.

Transforming Futures Scholarships are awarded to students who have demonstrated need such as financial or social disadvantage. There are a range of criteria that are looked at in determining this need such as low income, family background, living in a rural or isolated region, having a permanent disability, being a recent migrant from a non-English speaking country, and Indigenous Australians.

University of Canberra hosts Lessons from Game Writing

2 December

Rik draws on his 18 years of experience as a game designer and narrative designer to share the lessons he has learned that have made him a stronger story writer. Games don't give much space or time for telling the narrative through text or long dialogue, so narrative designer and game writers must learn to master and maximise 'Showing Not Telling' through approaches such as dialogue and environmental story telling.

University of Newcastle Supports Elite Athletes

Closes 5th November

As a member of the Elite Athlete Education Network (EAEN), The University of Newcastle is committed to supporting elite student athletes to achieve academic and sporting excellence. The University of Newcastle provides elite student athletes with access to sport and academic scholarships, access to premier sporting facilities and opportunities to represent The University of Newcastle in sport.

You may be considered for an ATAR adjustment up to 4 points should you be recognised as an Elite Athlete as a school leaver or University applicant.

An application for Elite Athlete Status must be submitted no later than 31 October (or for mid-year applicants by 30 June) and should the application be successful, confirmation of status as an Elite Athlete will be provided to the University of Newcastle admissions team.

<https://www.theforum.org.au/elite-athletes>

University of Newcastle Nursing Insights Evening - Callaghan

9 November

The evening is an invaluable experience, allowing students to hear first-hand about the nursing degree on offer at the University of Newcastle's Callaghan campus. Students will be able to hear from, and speak with, academic staff and current students. Students will also have the opportunity to tour the nursing labs. This is an excellent opportunity for students to ask any questions they might have about the Bachelor of Nursing.

UNSW Elite Athletes, Performers and Leaders Program

Closes 30th November

The Elite Athletes, Performers and Leaders (EAPL) Program considers both academic and elite extra-curricular achievements and recognises these by awarding adjustment factors. Through the EAPL Program you may be eligible for up to five adjustment factor points towards your UNSW admission for excellence in sport, academic, leadership, and/or music at an elite level. Activities must have been undertaken in Years 11 and/or 12.

<https://www.unsw.edu.au/study/how-to-apply/undergraduate/entry-requirements/adjustment-factors>

CQ University - Register for an Audition for Creative and Performing Arts

You've got the creativity, the talent and the passion. Applying to study a creative and performing arts course at CQUniversity could be the next step to the career of your dreams. Admission into our music and theatre courses requires an application and an audition. Find out more about the application and audition process below.

<https://www.cqu.edu.au/study/creative-performing-visual-arts/auditions>

UNSW Portfolio Entry - Late Round Applications

Closes 22 November

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why we offer UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

If this sounds like you, we want to see your portfolio submission. It's an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in.

Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

Academy of Interactive Entertainment Open Day

18 November

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Open Day on Sat 18 November 2023. This event will be held at AIE Campuses in Sydney, Melbourne, Canberra and Adelaide from 10am to 3pm.

AIE's Open Day is a great opportunity to meet our teachers, staff and students. The day will cover everything you need to know about the:

- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer - from beginners to professional mastery, and;
- the software, skills and knowledge we teach.

AIE's Open Day will also include presentations on entry requirements and how to apply. Find out how AIE can get you into a creative career.

https://aie.edu.au/aie_event/open-day/

ICMS Parents' Information Evening

23 November

As a parent, you play a vital role in your child's successful transition from school to higher education. We understand that choosing where and what to study can be a daunting and stressful decision – and not just for your school leaver. The ICMS Parents Information Evening will help you to support your school leaver as they navigate the complex tertiary admissions process.

- The Application Process: Learn about the complex Universities Admission Centre (UAC) preference process.
- Key Dates: Get a summary of the Key Dates and Entry Requirements for 2024 applicants.
- Fees: Gain an understanding of FEE-HELP, High Academic Places, eCAF and other tuition fee-related options.
- Teaching Methods: Our Dean will explain our Authentic, Industry-Driven, Assessment-based Teaching methods.
- Industry Training: Find out how ICMS can offer 100% of degree students professional placements through our Work Integrated Learning (WIL) program.
- Student Story: Listen to a current student share why she believes the ICMS community and support is unique.
- Parent Perspective: A parent of a current student will share their perspective on how and why they made the choice to study at ICMS.
- Mingle and Chat: Faculty Academics will be there to chat about specific degree course structure and subjects.

<https://www.icms.edu.au/event/parents-Information-Evening/>

General

Wesley Hope Program for At-Risk Young People

Wesley Operation Hope combines adventure-based therapy and the natural outdoor environment to take your group on a journey of self-discovery. Through adventure-based activities in the great outdoors, you'll learn more about yourself, develop life skills and make important behavioural changes to set you on a new path.

The self-discovery process is integral to helping you grow in your identity and developing your strengths. Through our 'learning by doing' style, you'll discover how to transfer those theoretical skills into practical life. You'll become confident when making your own decisions and find strength to face consequences that you encounter along the way.

We love your stories - Little Stories, Big Ideas

Closes 22 December

Little Stories, Big Ideas is a flash fiction competition for Australian Secondary School Students. Winners will be chosen from 2 categories, Years 7 to 9 and Years 10 to 12. We hope to inspire and encourage the next generation of storytellers. The competition runs four times per year, and is free to enter.

STEM + X Webinar - Information Technology

1 November

Explore how you can combine a Bachelor of Information Technology with your 'X', which is your passion, another area or a big goal

Tech careers are about more than just coding. In reality, tech careers are everywhere and the demand for graduates with tech skills is booming.

In this free webinar Years 7-12 students can find out how to combine an IT degree with their passions by using Careers with STEM's winning formula – STEM + X (where STEM = science, technology, engineering and maths, and X is up to them).

Animal Logic Work Experience Week 2023

Apply by 30 October

Have you ever been interested to learn how we make amazing films? You're in luck, as Animal Logic is excited to announce our next 'Work Experience Week' in November 2023!

Work Experience Week is aimed year 10 and year 11 students who are interested in working in a feature animation studio, as we provide the chance to for students to learn about the roles and responsibilities related to a career in the Animation & Visual Effects workplace. Students will be involved in a combination of lectures, experimental artistic, technical learning and presentation skills, all by some of the best artists/technicians in the industry.

We have 10 places available and we will be looking for students who we feel will be able to best benefit from this opportunity.
