

Scholarships for Tertiary Study

Institutions Scholarships

There are many scholarships that are available to students applying for tertiary institutions. It is helpful to check each institution for the scholarships they offer for example....

University of Newcastle offers many scholarships which are updated during the year for the following year
<http://www.newcastle.edu.au/scholarships>.

UNSW has scholarships available: [Home Page | Scholarships \(unsw.edu.au\)](http://www.unsw.edu.au) including the UNSW Co-op Program which offers industry training, networking opportunities and generous financial support – visit www.coop.unsw.edu.au for more information.

Macquarie university scholarships: [Scholarships | Macquarie University Sydney \(mq.edu.au\)](http://www.mq.edu.au)

UTS scholarships: <http://www.uts.edu.au/future-students/scholarships>

CSU scholarships: <https://study.csu.edu.au/get-support/scholarships>

There are also scholarships provided by organizations such as the Australian College of Nursing
<http://www.acn.edu.au/scholarships>

Equity Scholarships (ES)

Equity Scholarships assist financially disadvantaged students with the costs associated with higher education.

You can apply for an equity scholarship through UAC if you intend to apply for a university course for next year to one or more of the participating institutions.

Equity Scholarships through UAC comprise:

- **Commonwealth Scholarships (CS)** for Indigenous students established and funded by the Australian Government.
- **Institution Equity Scholarships (IES)** funded by individual universities. Some IES are funded by donations or sponsorship.

Before you apply, check the list of Universities offering Equity Scholarships ... [Universities offering Equity Scholarships - UAC](http://www.uac.edu.au)

By [submitting just one application](http://www.uac.edu.au) through UAC you'll be considered for all available Equity Scholarships for which you're eligible at the participating institutions.

For more information, visit <http://www.uac.edu.au/equity/>

Scholarships – Job Jump Links to Information

The screen shot below shows the Job Jump page that provides links to various universities about scholarships. To use the links, access the Job Jump program and click “Uni” and then “All you need” and choose “Scholarships”.

To log in to Job Jump, you will need to create an account using the password ‘finches’. The College pays for a subscription to Job Jump so please use it to assist you... <https://jobjump.com.au/>

Scholarships – Good Universities Guide Listing

Scholarships Australia Wide

There are currently more than 3000 scholarships available to Australian students, across both the higher education and vocational sectors. Scholarships can cover an array of costs from tuition fees to living and accommodation costs, our advice is to investigate your options early on as the amount of information to get through and applications to fill can be overwhelming.

<https://www.gooduniversitiesguide.com.au/scholarships>

The screenshot shows the 'Scholarships in Australia' page on The Good Universities Guide website. The page has a dark blue header with the site logo and navigation links. Below the header, the main heading 'Scholarships in Australia' is displayed in white, followed by a subheading: 'No matter what you are intending to study and where, you will be sure to find some financial assistance on offer to help you pay for it.' A navigation bar below the heading highlights 'Scholarships' in orange. Below this, there are two dropdown menus for 'State' and 'Field of study', followed by a search button with a magnifying glass icon. A 'more options >' link is also present. The background of the page features a stack of coins. At the bottom, a dark blue banner contains a paragraph of text about the availability of scholarships.

Year 10: My Career Match Career Profile Quiz

On Monday 1st May, Year 10 had a special activity where they completed a career profiling quiz called My Career Match. A representative from Avondale University provided the quiz and explained its usefulness for students to help prompt some ideas of possible career areas of interest that line up with their personality strengths. Students received a report, the cost of which was covered by Avondale University. The report indicated their personality strengths and is an encouraging document.

For any students who missed out on the activity or would like to re-do the quiz, please visit www.avondale.edu.au/mcm. The unique Green Point Christian College access code students will need to put in once they finish the quiz to be able to receive their report is **AVD:65**

Interested in Agriculture...?

AgVision bookings close 31 May!

After 3 long years, NSW's leading agricultural and agribusiness careers expo is back! The focus for AgVision 2023 is to inspire the next generation for Agriculture. AgVision exposes our students to possibilities, and unearths opportunities and future career pathways in agriculture.

Held on 28th June 2023 at Sydney Showground, secondary students can explore a field of careers available in agriculture, science, technology, and agribusiness through hands-on experiences of their choice. Being an industry leader in agriculture is not limited to being a farmer but reaches across all agri-business areas. Many vocations transcend urban boundaries into the agricultural sector and can be geographically based just about anywhere.

You would need to attend with a parent and wear your school uniform. There is a cost for students (but not adults) to attend this event.

University of Newcastle Early Offer Program

For more information, visit [Early entry program / The University of Newcastle, Australia](#)

Get an early offer and so much more!

Our free Early Entry Program means you can receive an offer from us before commencing HSC exams. Offers are conditional on you completing the HSC or equivalent.

Applications close on 29 August 2023.

What is the Early Entry Program?

The University of Newcastle's Early Entry Program is for NSW and ACT students completing Year 12 (Higher School Certificate or International Baccalaureate) in 2023. Early entry considers your Year 11 results so you can earn an offer to your chosen degree before you commence your exams.

When you apply for our Early Entry Program, we connect you with learning resources that will guide you towards successfully completing your final year at school, and leadership and networking opportunities that focus on collaboration and engagement. An early offer to the University of Newcastle secures your place and provides you with certainty at a stressful time.

Program benefits

- Receive an early offer to attend the University of Newcastle
- HSC study support to help you achieve the best Year 12 results
- Free preparation courses
- Invitation to VIP events throughout the year
- Invitation to our Student Leadership Program.

Who can apply?

NSW and ACT students completing Year 12 (Higher School Certificate or International Baccalaureate) in 2023.

You need to be either an Australian citizen, Australian permanent resident, permanent humanitarian visa-holder, or New Zealand citizen.

International applicants (including onshore international applicants currently studying another qualification) should apply through international admissions.

University of Sydney - Indonesia in Action Day

9 June

Indonesia in Action Day aims to bring Indonesian language students from multiple schools to the University with the ultimate purpose of encouraging lifelong interest in Indonesia and to strengthen the learning of Indonesian in NSW. This year's event will have multiple rounds of fun activities and some presentations aimed at increasing student engagement and exposure to Indonesian language and culture.

Students will also have the opportunity to hear from current University of Sydney students and graduates who have studied Indonesian about their experiences, insights, and how Indonesian has boosted their career opportunities.

University of Sydney School of Project Management 2023 Spring Camp Expression of Interest

Expression of Interest Closes 1 September

This face to face in-person program offers an excellent opportunity for high school students to learn about project management and where this dynamic field can take them.

Students develop awareness of project management as a discipline, career pathways, our Bachelor of Project Management degree, and hear from our students and alumni about their experience at the University of Sydney.

They also participate in interactive workshops with our academics and experience a master class. The program includes talks from industry professionals and in the past has included site tours to Google and Australia's leading technology company, Atlassian, to learn more about projects in action.

https://forms.office.com/pages/responsepage.aspx?id=fuOzgnGBXUixCzja5-0UqKRZ_3uUKpZIISSz8ZvEFoFUOTdRSzZQVzQzNTdXUjFMM0hWTkVRUFo0Vy4u

University of Sydney - Data Analysis for HSC Science Extension

1 and 15 June

HSC Science Extension students are taken through the fundamentals of data analysis in line with the syllabus. HSC students explore the best scientific practice when collecting and analysing data for the HSC science extension course - where to start brainstorming your project topic, the "how to" of experimental design, and what statistics are important to consider before starting data collection.

There will be an opportunity for you and your students to hear from and meet our STEM research mentors. Our mentors are PhD candidates and early career researchers from across the Faculties of Science, Engineering and Health & Medicine who will provide research advice and inspiration from their own research areas.

By the time your students leave, they should feel confident stepping out into their own exciting dive into authentic scientific research.

<https://www.eventbrite.com.au/e/an-overview-of-data-analysis-online-lesson-for-science-extension-hsc-tickets-622294859677>

University of Sydney - Data Analysis Advice for HSC Science Extension

26 May - 23 June

Whether you are doing a primary investigation or using secondary data, you will need to use the right data analysis techniques to find and present trends in the data!

The Faculty of Science presents these free after school sessions where individual HSC Science Extension high school students from NSW can sign-up to hear from tutoring data scientists from the University of Sydney. Students will book into a half hour time slot with a small number of other students so that they can get personalised advice and recommendations for their own investigation data.

University of Sydney - Pathways to Oral Health and Dentistry for Indigenous Students

7 June

The Faculty of Medicine and Health has introduced an entry pathway for Indigenous and Torres Strait Islander students who aspire to become dentists. This pioneering program starts with a TAFE Certificate III in Dental Assistance, which provides the foundation for admission to the Bachelor of Oral Health (BOH) at the University of Sydney. After completing the BOH, students can apply for entry into the Doctor of Dental Medicine program that leads to becoming a qualified dentist. This initiative is the first in Australia to offer pre-high school to postgraduate dentistry qualifications for Indigenous students, providing an unparalleled opportunity to pursue a fulfilling career in dentistry.

ACU - I did not get the ATAR

It's OK if your final school result wasn't what you were hoping for. We've got your back. Use our list of alternative entry pathways to assess your options and create a plan. A pathway is an extra qualification or test you take in addition to your application that helps you meet your course entry requirements.

An entry program is a way of boosting the success of your first application if you meet certain criteria with your schooling or personal background.

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-did-not-get-the-atar-op-rank>

ACU - I am an elite athlete or performer

We're here to help level your playing field. If you take part in high-level activities in sports or the arts, you might be eligible for ACU's Elite Athlete and Performer Program (EAPP).

Learn more about EAPP benefits and services, check your eligibility and find out how to apply.

The Elite Athlete and Performer Program (EAPP) is designed to give students who are top sporting or artistic performers the tools they need to achieve balance across their active and academic lives.

The program comes with a range of benefits, including:

- adjustment factors to your entry score
- priority class allocation
- academic support and flexibility (deferred exams, extensions, special considerations)
- access to financial scholarships and competition/travel grants
- networking and career development opportunities

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-am-an-elite-athlete-or-performer>

ACU Guarantee - Early Offers

Applications Open 24 July

Guarantee your place at ACU, even before your Year 12 exams. The ACU Guarantee program offers eligible Year 12 students a place at ACU based on your Year 11 results.

ACU Guided Campus Tours - Canberra

Teaching Tours - 13 July, 26 September

Nursing and Paramedicine Tours - 4 July, 27 September

Social Work Tours - 12 July, 26 September

Did you want to take a deeper dive into your desired field of study? Join us for a discipline-specific guided visit during the April, July and September school holidays.

You'll be shown around campus by a current student in your discipline, meet academic staff and, for nursing and paramedicine, get hands-on experience in our labs.

Capacity is limited – so register early.

<https://acufuturestudents.swoogo.com/tours-canberra>

ACU - Study Biomedical Science in Rome

ACU's Biomedical Science degree, available at the North Sydney campus, now provides opportunities to study a core unit at the Rome campus to complement and enhance students' local studies. Students will typically be exposed to biomedicine-related employment opportunities, introduced to the entire job application procedure, and encouraged to learn about themselves and the skills they already possess or need to develop to become a competitive and employable job seeker. This new offering in Rome will expose students to a vastly different world and provide opportunities for significant growth, self-transformation and career realisation.

University – General

How to Keep to a Budget While at University

If the thought of drawing up a spreadsheet or tracking your purchases makes you cringe, you may just need to grin and bear it. It can be helpful to map out your major weekly, monthly or yearly expenses in advance (car insurance, rent and petrol, for example) and see how these fit in with your savings — especially if they are clumped together in one month, or worse, in one week. Setting aside an amount for emergencies means that if you're suddenly hit with an unexpected expense, such as a large phone bill, you will be more prepared. As you plan your budget, this is a great time to think about any areas where you can cut back to save money; while expenses such as rent are a necessity, weekly outings and designer clothes are not.

<https://www.gooduniversitiesguide.com.au/education-blogs/student-life/how-to-keep-to-a-budget-while-at-uni>

8 ways to manage your money as a first-year uni student

You'll learn many new things during your university years, but several of those lessons will happen outside the classroom. As you grow comfortable living independently, you'll need to figure out how to maintain your lifestyle

while planning for the future. Here are eight ways to manage your money as a first-year university student so you can take control of your financial life.

<https://www.gooduniversitiesguide.com.au/education-blogs/tertiary-study/8-ways-to-manage-your-money-as-a-first-year-uni-student>

Bond University - Early Offers for Year 12 Students

At Bond, we do things a bit differently to other universities – and that philosophy extends to our application and entry processes. If you're an Australian student currently in Year 12, don't wait for your results to receive an offer.

<https://bond.edu.au/entry-to-bond/entry-requirements/domestic-entry-requirements/entry-for-australian-year-12-students>

TAFE

Secure the future with a TAFE NSW Bachelor of IT Degree (Network Security)

The rise of cybercrime has created an unprecedented demand for professionals who can secure and monitor IT systems and protect personal and organisational privacy in cyberspace. The Bachelor of Information Technology (Network Security) will allow you to develop your skills in communication, problem solving and critical thinking. This degree prepares students to sit for recognised industry certifications (such as CISCO, CCNA, and CCNP). Alternatively, you can complete a Diploma of Information Technology by completing all first year subjects in the degree.

<https://www.tafensw.edu.au/degrees/bachelor-of-information-technology-network-security>

NSW Fashion Design Studio TAFE

With a list of alumni that reads like a 'who's who' of Australian fashion, the TAFE NSW Fashion Design Studio (FDS) in Ultimo is a "fashion school of excellence†." Consistently ranked in the top 20 fashion design schools worldwide*, FDS has over 60 years of creating fashion design excellence.

FDS also has established partnerships with International Design Institutes in India, United Kingdom, The Netherlands, Hong Kong, Sweden and the United States that allow final year students the opportunity to complete a fourth year overseas and gain an international degree.

No matter what area of fashion you want to be involved in – be it design, couture, tailoring, patternmaking and construction, styling or media – FDS gives you the skills, experience and exposure you need to be a cut above.

ICMS Early Entry

Early Entry is an Alternate Entry Pathway designed for high-achieving HSC students who want to secure a place at ICMS in February 2024, before sitting their final exams.

<https://www.icms.edu.au/future-students/entry-pathways/early-entry/>

ICMS Leadership Entry Program

The ICMS Leadership Entry Program is an Alternate Entry Pathway for students intending to commence their degree studies in February 2024.

ICMS understands the value of leadership and we believe it should be rewarded. Our Leadership Entry Program offers students who have demonstrated significant leadership in their school and/or community, a guaranteed place at ICMS based on their academic achievement, leadership experience and aspirations, and a nomination from their school. Take your first step to becoming management ready today!

<https://www.icms.edu.au/future-students/entry-pathways/leadership-entry-program/>

ICMS Elite Athletes/Performers

The ICMS Elite Athlete and Performer Program is an Alternate Entry Pathway for students intending to start their studies at ICMS in February 2024.

ICMS understands the additional pressures placed on students through significant involvement in sport and the performing arts and we believe this should be considered for entry to higher education. The ICMS Elite Athletes and Performers Admissions pathway is for students whose sport or performing arts commitments may have impacted on their studies.

<https://www.icms.edu.au/future-students/entry-pathways/elite-athletes-performers/>

ICMS Professional Scholarships

Applications for 2024 will open soon.

The ICMS Professional Scholarship Program is exemplary within the Australian Higher Education sector.

The ICMS Professional Scholarship is open to Australian and New Zealand high school students currently completing their final school year or those on a Gap Year.

Applications for this scholarship will be considered for the ICMS Professional Scholarship. ICMS will match the candidates to the most appropriate scholarship. Students are welcome to note or refer to a particular scholarship in their written application.

<https://www.icms.edu.au/future-students/scholarships/icms-professional-scholarships-program/>

ICMS Year 10 Subject Selection Evening

June 16

ICMS Is Pleased to Announce Its First-Ever Year 10 Subject Selection Evening!

ICMS invite parents, teachers, and students in Year 10 to join us at this information session to help students to navigate the High School Certificate (HSC) subject selection process.

This will be the perfect opportunity to gain valuable tips from a representative of the University Admissions Centre (UAC), who will guide you through the application process and offer insights on how to maximise the chances of admission to your desired university.

<https://www.icms.edu.au/event/year-10-Subject-Selection-Evening/>

Sydney Actors School Acting Application and Audition Monologues

Do you have stories to tell? Do you love to collaborate with passionate and creative people? Is acting what you want to do with your life? Do you need guidance and opportunity to 'make it'?

If your dream is to build a thriving career in the screen, stage and media industry, then Sydney Actors School is almost certainly the acting school for you.

Minimum 18 years of age preferred. Applicants turning 18 years of age in the year of admission will be considered through an interview and audition process. As a domestic student, you must have Australian or New Zealand citizenship, Australian permanent residency or similarly hold an Australian permanent humanitarian visa. International students are furthermore welcome to apply to our acting and musical theatre courses— see our international students page if you need to know more about visa application and other requirements for study at Sydney Actors School.

JMC HSC Feedback Sessions

3-7 July

HSC students focusing on creative industries are encouraged to book a time with an industry professional to guide and assist you on your Drama or Music HSC project. It could be assistance with a monologue, individual performance, OR group performance. We're here to help!

This initiative is ideal for Year 12 students who are looking to take their project to the next level with feedback from industry professionals who are experts in their field.

The 1-on-1 industry consultation session (1-hour) will provide**:**

- Specific feedback on the project
- A new perspective from an industry expert
- Time to workshop different suggestions and try new things with the appropriate guidance
- Techniques to combat anxiety
- An insight into what markers are looking for

AIT Open Day

8 July

AIT's Open Day is perfect for those wanting to explore the endless opportunities available in the growing creative industry. This fun and interactive day is a great way to get further information on our curriculum, course requirements and study pathways. Our friendly staff & students will also be there to talk to and get advice from.

On the day you can expect to:

- Learn about our degrees in film, 2D and 3D animation, game design, and IT.
- Hear more about careers and study paths.
- Take a tour of our campus.
- Grab a bag of free goodies.
- Enjoy pizza and soft drinks on us.

<https://info.ait.edu.au/open-day-mid-year-2023>

AIE Industry Experience Day

12th July

AIE's Industry Experience Day is a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If you are thinking about a career in the games or film industry then we highly recommend registering for this free event. We are limiting numbers for this event due to physical distancing requirements, with Year 12 students having priority to register.

General

Physical Aptitude Test - FireFit Training Guide from NSW Fire and Rescue

As firefighters, we put life first and we train to get it right.

Firefighting is a physically demanding occupation. Tasks include carrying heavy loads including personal protective equipment, handling temperature extremes, variable terrains and confined spaces, all of which impose unique physical and physiological demands upon firefighters.

The FireFit Training Guide is based on an eight to 12-week program, depending on each individual's fitness level, and is available to help eligible candidates prepare for the Fire and Rescue NSW Physical Aptitude Test (PAT)*.

We have created a series of exercise focused videos called "Train Like a Firefighter" that will show you how each exercise relates to the physical demands required of firefighters.

UN Youth NSW Global Advocate - Applications Close Soon!

Applications Close 31 May

UN Youth NSW's magazine- the Global Advocate- is back! Our official magazine first launched in 2020 aiming to explore international affairs and global issues from a youth's perspective.

The magazine consists of literary and artistic pieces produced by young, talented Australians selected for their unique point of view. After a successful two publications last year, we are excited to be back for a sixth issue! The theme for the next issue is JOURNEYS, which will aim to explore the physical and metaphorical journeys that extend across cultures, peoples and borders that make us human beings.

We are after essays, articles, short fiction, letters, poems, opinions pieces, artwork and photography that explores the ways journeys shape our lives and form our own identities.
