

Central Coast Group Training - Future Fit Program

Feeling confused about how to prepare your child for their future career?

The FutureFit Program is a FREE information session with a focus on Vocational Education Training (VET), apprenticeships and traineeships. It is an opportunity to learn more about training options to help support your child in the decisions that lay ahead when planning for their career.

What is included in the program?

- ✓ Increase your knowledge and awareness of the various apprenticeships and traineeships, as well as opportunities available.
- ✓ Learn about the benefits and opportunities of apprenticeships and traineeships, and the pathways available.
- ✓ Find out what resources are available and what you can do NOW to support your child.

BiG Day In Newcastle
@ UON
Thursday 2 May 2024
HOLD THE DATE!

The ACS Foundation Presents:

THE BiG DAY IN™

National STEM Careers Conference - designed by students for students

REGISTER FOR AN EVENT

Technology Career Wheel

OVERVIEW

BiG Day In events are for year 9-12 school students to explore careers in technology. Held on Australian University campuses, students gain insight into 'university life' and are able to make better informed decisions about their future.

Students interact with to 7-8 sessions covering career paths, career opportunities, the latest developments, and the future of technology. In the breaks, students visit the exhibitor stands to speak with company and university representatives.

Students learn about courses, degrees, work experience, internships, apprenticeships and engage with hands-on demonstrations of awesome technology.

- Excellent teamwork and communication skills
- The ability to complete work that requires a high level of manual handling in various weather conditions
- Work experience with stone cladding & paving (desired, but not essential)
- An eagerness to learn new skills and a desire to succeed in the industry

KEY ROLES AND RESPONSIBILITIES:

- Constructing retaining walls (sandstone, besser block, concrete sleeper & more)
- Undertaking stone cladding
- Paving, tiling & concreting
- Completing pool scapes & pool renovations
- Planting various plants & preparing garden beds
- Working on numerous landscaping maintenance tasks
- Assisting the other, qualified tradesman in order to learn and understand the business and the landscaping industry
- Maintaining and cleaning tools, equipment & the work site regularly
- Follow safety guidelines and protocols on construction sites
- Work collaboratively with the team to ensure efficient project completion

Working Monday to Friday, 7.00 am to 3.30 pm, with the potential for overtime

As part of this Apprenticeship, you will be PAID to study a Certificate III in Landscape Construction through OFF the Job Training at TAFE NSW Ourimbah Campus over a period of 48 months.

For more information about this position, please contact Central Coast Group Training.

Rail Infrastructure Trainee

- White Card essential
- Paid to study a Certificate II in Rail Infrastructure
- Working across various sites in Greater Sydney, Newcastle & Regional NSW

Do you enjoy hands-on work?

Do you thrive in a hard-working environment?

As a Trainee in Rail Infrastructure, you will have the exciting opportunity to work alongside qualified Tradespeople and will gain hands-on experience whilst learning the skills of the trade.

ABOUT CCGT:

The Coast's leading employer of Apprentices and Trainees for over 40 years.

Throughout your traineeship, you will be employed by CCGT and will work day-to-day with our host employer in order to receive your on-the-job training in the industry.

We are dedicated to offering continuous mentoring and support to help you achieve your career goals and unleash your true potential.

ABOUT THE HOST EMPLOYER:

Our host employer is an Australian owned and operated company that specialises in delivering rail & civil infrastructure, building & commercial works & consultancy & project management.

They exist to solve the critical issues facing their clients, both large and small. Their unique approach is not only what differentiates them, but is what allows them to help organisations achieve their visions, to optimise their performance and meet their delivery requirements.

They are now looking for a hard-working, resilient, and flexible Trainee to join their team!

DESIRED QUALITIES:

- Demonstrates honesty and integrity in all professional interactions
- Demonstrates a strong work ethic and is dependable in various work scenarios
- Flexibility & willingness to work overtime, night shifts, short notice emergency work & occasional travel
- Manages time effectively to ensure timely completion of tasks to adhere to strict deadlines
- Hold a current White Card & Drivers License
- Adapts well to change and remains composed under pressure
- Demonstrates a strong commitment to personal and professional development

KEY ROLES AND RESPONSIBILITIES:

- Support skilled professionals in welding activities related to rail infrastructure projects

- Participate in various railway construction tasks, ensuring adherence to safety protocols
- Learn and apply construction techniques to contribute to the successful completion of projects
- Gain insights into effective planning strategies to ensure project success
- Work alongside experienced team members to coordinate resources for rail projects
- Learn to optimise resource allocation to meet project goals and timelines
- Learn & assist in managing the logistics aspects to ensure the smooth flow of project operations

Working Monday to Friday 7:00 am to 3.06 pm with opportunity for overtime.

As part of this Traineeship, you will be PAID to study a Certificate II Rail Infrastructure through ON the Job Training with a registered training organisation for a period of 12 months, to then roll over into a Certificate III in Rail Infrastructure.

For more information about this position, please contact Central Coast Group Training.

Business Admin Trainee

- Paid to study a Certificate III in Business (Business Administration)
- Full-time position located in The Entrance
- Opportunity to work alongside an office dog!

As a Business Administration Trainee, you'll have the thrilling opportunity to collaborate with professionals, acquiring practical, on-the-job experience within the business domain.

ABOUT CCGT:

The Coast's leading employer of Apprentices and Trainees for over 40 years.

Throughout your Traineeship, you will be employed by CCGT and will work day-to-day with our host employer in order to receive your on-the-job training in the industry.

We are dedicated to offering continuous mentoring and support to help you achieve your career goals and to unleash your true potential!

ABOUT THE HOST EMPLOYER:

Our Host Employer provides professional services in project development, procurement, and contracting. They offer vast experience in high-risk construction and infrastructure sectors.

Their experience enables them to offer their clients end-to-end, high-quality project solutions, unlocking value and innovation while adopting sustainable and social practices, through genuine collaboration, across the entire supply chain. Our host is now looking for a confident Trainee to join their growing team!

KEY ROLES AND RESPONSIBILITIES:

- Providing exceptional customer service to stakeholders, both written and verbal
- Managing compliance
- Maintaining multiple systems within the business
- Collaborating with contractors and clients
- Executing accurate and efficient data entry tasks utilising Microsoft Office Suite
- Providing administrative support to staff members
- General housekeeping

DESIRED QUALITIES:

- Strong communication skills, both written and verbal
- Excellent organisation & time-management skills
- Attention to detail
- Positive & confident attitude
- Excited about the prospect of evolving and expanding within this role for long-term growth
- Ability to multitask and prioritise tasks effectively

Working Monday to Friday, 8:00 am to 4:30 pm, with the potential for overtime.

As part of this Traineeship, you will be PAID to study a Certificate III in Business (Business Administration) through ON THE JOB Training over a period of 12 months.

For more information about this position, please contact Central Coast Group Training.

Interested in Carpentry...?

The advertisement features a blue background with yellow and white geometric shapes.
